We are leaving . . .

We have left many times before, on meal pers, weekends, and vacations, but we always returned, though sometimes unwillingly. Now, as Seniors we are once more about to leave, proud to have earned diplomas, but sorry to cut our apron strings with Westtown. We may return many times, but our days as Westtown students are over, and we will never be as close to this role as we have been this past year. In order to preserve some of the memories of our Senior year, we present our yearbook, the Amicus of 1954.

TO A FRIEND

Westtown found a wonderful friend when Wendell Oliver came to our community to be Superintendent of Grounds. Although here for only three years, he was with us long enough to be known and admired by everyone. His contributions to the school were numerous, whether in the form of a plant in Central, flowers in the dining room, or an arrangement for Vespers. No one will forget the loving care with which he planned and supervised the plantings around the new gym, the flower garden by the girls' tennis courts, and the way in which he brought out the natural beauty of our campus. The work of Wendell Oliver will remain at Westtown for years to come.

FACULTY

"LET ME REMIND YOU THAT STUDY HALL HAS BEGUN!"

The Big Four

Master Dan began his headmaster's career as our class was just beginning to form four years ago. Most of us don't remember him then because we weren't here, but none of us will ever forget the periods of Public Speaking in our junior year and the familiar figure encouraging the team on at soccer games.

"Anyone who can name all the new girls in a week will get a hamburger," was Teacher Rachel's proposition at the beginning of the year. In her second year as Assistant Principal she has helped us make decisions about colleges and has filled out many application blanks for us, a long and hard job.

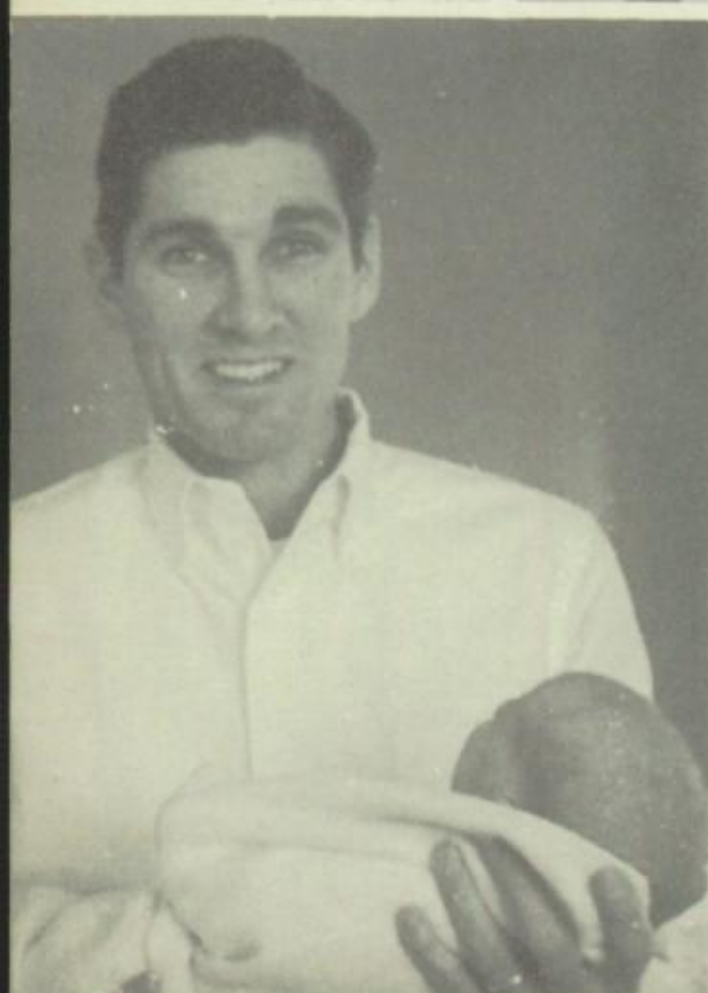

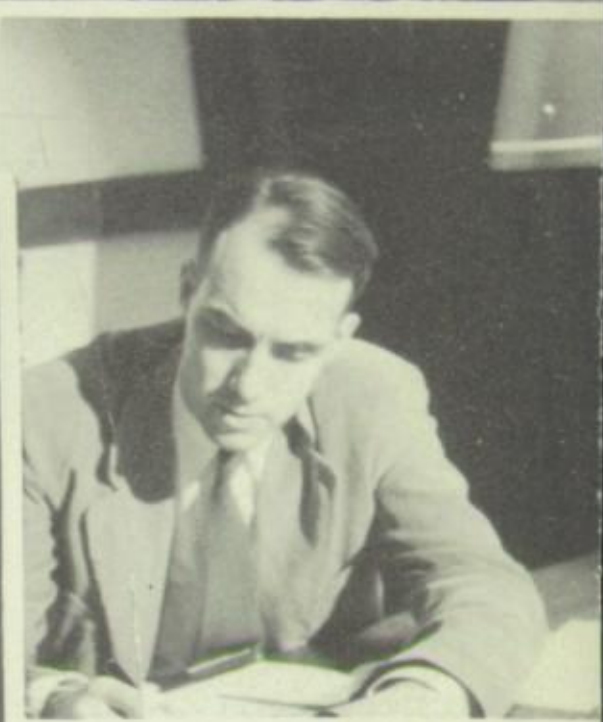

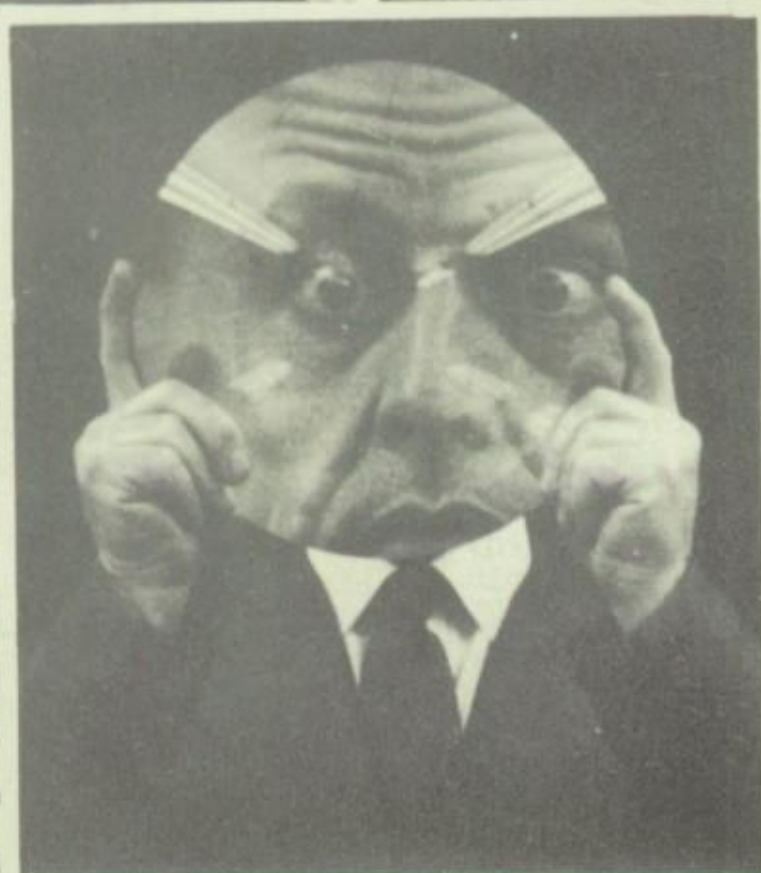

Although at times our class has taxed the deans' nerves a bit, any friction has always been smoothed over. And we never will forget Teacher Anne's sense of humor or her Pogo books. Nor will we forget Master Charlie's obliging interest, advice, and help that was given whenever we needed it.

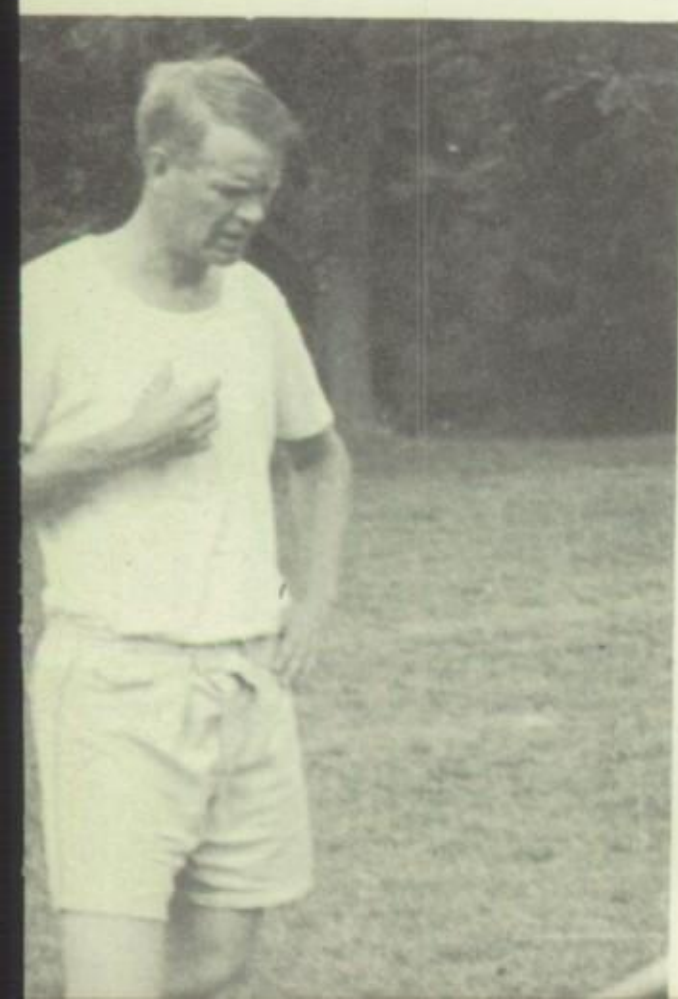

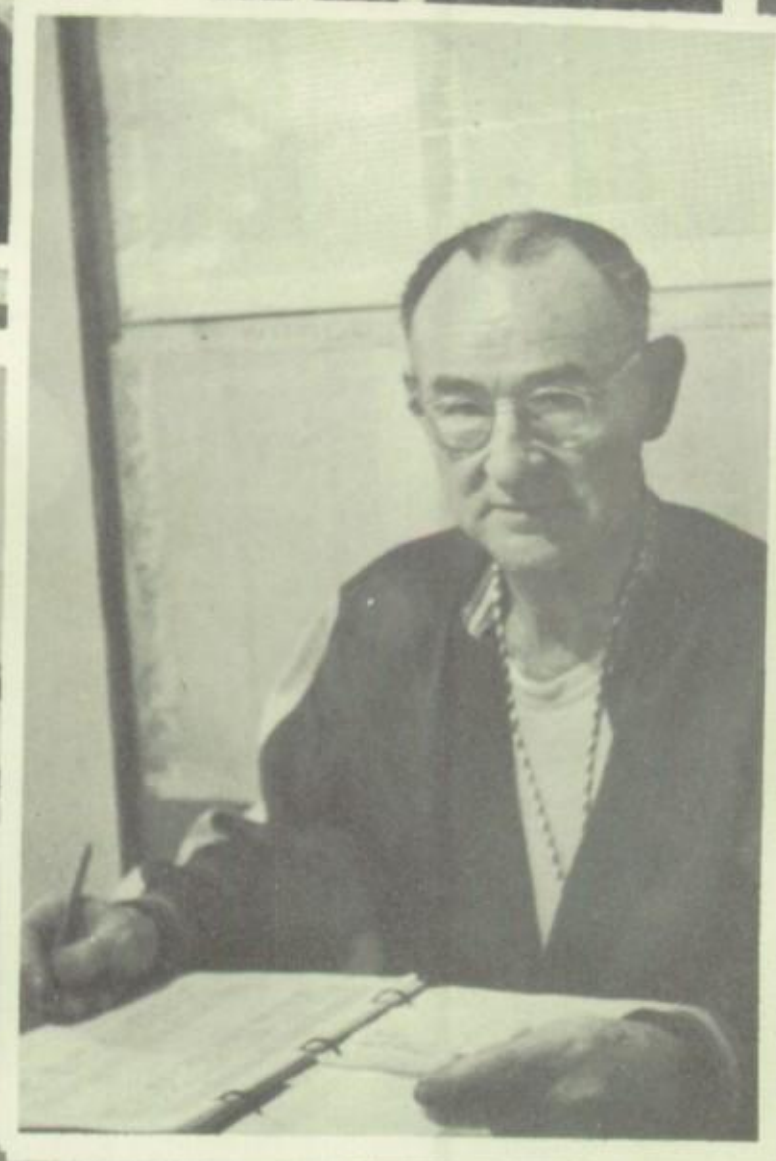

After we leave Westtown, the "Big Four" and the times we've spent with them will be remembered for a long time to come.

FRONT ROW: Anne Wood, Rachel Letchworth, Agnes Thomas, Sue Smedley, Marty Giessler, Olive Charles. SECOND ROW: George Whitney, Lael Kelly, Edith Wood, Marie Klooz, Agnes Finnie, Ernestine Hoff, Isabel Beugler, Alice Pennell. THIRD ROW: Elma Fawcett, Mary Moon, Jean Wooster, Margaret Fisher, Nelle Selby, Mary Borton. FOURTH ROW: Margaret Boyce, Keay Smith, Florence Supplee, Ruby Jones, Helen Slonaker. FIFTH ROW: Aida Gamble, Burdette Bernard, Bernard Haviland, Daniel Test, Alexander Hay. SIXTH ROW: Eugene Raiford, Lawrence Newhall, Gordon Berg, Kirk Russell, John Ellis, Fred Swan, Eugene Hogenauer. BACK ROW: Robert Tomlinson, John Wideman, Willard Pierce, Robert English, Martin McKibbin, Charles Brown.

SENIORS

MIDNIGHT OIL

Dedicatee

The class of '54 dedicates this Amicus to you, Teacher Ernestine, as a token of the affection we feel for you. You have given our class many good times together, among them the Halloween party, teas in South Room, and informal song fests. We were delighted with "Evolu", the song you introduced to our class, and, at Christmas time with the Parlors decorated with little gifts for each of us. Perhaps most of all we appreciate your warm, cheerful smile for everyone, and your interest and friendly advice for anyone who needed it. We want to thank you, Teacher Ernestine, for some of the nicest parts of our Senior year.

Honorary Member

We are very much honored to have you, Master Charlie, as a member of our class. A few of your thoughtful touches that have brightened our senior year were the artistic handmade Christmas cards, and those humerous coffee, cake, and cocoa parties to which you welcomed us at your home. Camp suppers and the Halloween party down at the lake were livened greatly by your repetoire of stories including "Uncle Ed" and "A Lion Hunt"; and skating wouldn't have been the same without you energetically leading us in "Crack the Whip" or "cautiously" testing the ice to see how far out we might venture.

The boys and the three lucky girls in your Trig class owe a debt to you for patiently working out many long prbolems. All of us will remember you as "Jimmy Stewart 2nd", but most important, as you are, our friend, and the whole class of '54 is sincerely grateful to you and Pooh for this real friendship.

CLASS SONG

Westtown, our words
Cannot well express,
All the love for you
That our hearts possess.

You've taught us well
And have given us strength,
And a happiness
That we all remember.

We've found in you
Wisdom, peace, and friends,
And a special warmth
Which life here extends.
Our whole lives through
Class of '54,
Will be grateful,
Dear Westtown, to you.

JUDY CANNON

Those of us who knew Judy Cannon well, cannot express in words the tremendous loss we feel in our hearts. As we think of her, we remember a lively, entertaining companion whose mischievous sense of humor was well known to "Cac's" junior English and to most of the girls' third floor dorm. Another striking characteristic of Judy's was her dislike of affectations and her own naturalness. Her sincerity, her ability to laugh at the world and herself, and her understanding of other people and their ideas made her friendship especially precious.

Judy was a brilliant student and an active member of the school and of our class during her two years at Westtown. She was quiet when in large groups, but friendly, always glad to work hard on any school or class project, and very reluctant to claim any credit. As a reminder of Judy's affection for Westtown, we have our class song, which she helped write.

One of Judy's qualities impressed her close friends perhaps more than any other: Judy loved life. She could not share with us in giving the senior play, *Our Town*, but she actively believed its message. Her enthusiasm and appreciation made living happier and richer for Judy and those around her.

Nancy -

Twelve years is
a long time, hope you
make ^I feel the way through.
I have been here three,
and am attached to the place -
but three years here is
plenty in some respects.
Anglow - Westtown and
Ollie's people are wonderful.
Keep Westtown winning.

there - good - ole - Margo
but - now I know -
you - for - well - for
that sarcastic sense
of humor - you have -
and for the speed -
with which - you
can make that mouth
go - That's no insult -
It's an advantage -
especially - if you're
at a dull table -
and just sitting
there in solemn
silence - ~~reaching~~ reaching
your brain for
something intelligent
to say

Have a great time -

Senior Class Officers

We, the class of '54, at the beginning of the year chose as our leaders Danny Wills and Betty Lou Wilson, president and vice-president, and Carol Rusch and Covie Winsor, secretary and treasurer.

Our president, Danny, is also active in athletic lines earning letters in soccer, swimming, and baseball last year. Carol follows in the footsteps of her sister who was last year's senior class secretary. In our 1st class year, Betty Lou showed much perseverance as being the gal with the "piggy bank". A newcomer to the class last year, Covie, also a letter man, in basketball and baseball, has quickly gained the respect of the school.

We know that our officers will do their best to keep the class together in the years to come.

Daily Blurb

BROWN IS NOMINATED

POLL TAKEN

Your reporter, Val McCloskey, decided to look around and find out what the general opinion is on the forth coming election. Douglas Kerr, American Ambassador to Lebanon says, "... and furthermore I firmly believe it will be a landslide." Mrs. V. Wickham McCarthy says, "Joe and I both 'go for Brown'". Mr. Philip Stevenson, New York, street cleaner, uttered "Duh . . . huh". This shows that the common "peepul" aren't as yet to well acquainted with Charlie Brown. Officer Chris Dull says, "We of the mounted police 'Go for Brown'". Gail Wolcott says, "Us folks on the farm are backing Charlie Brown!" Mr. Richard Kelly, curtain puller at the met says, "C.K.B. III is the man for me".

Record Set

Washington, D.C. The filibustering record was broken yesterday by Senator Gans of California. The senator spoke for 245 hours and 15 minutes on government subsidise smudge-pots for his state.

Westtown, Pennsylvania

The results of the Westtocratic convention in Akeley Hall have been the nomination of Charles K. Brown as presidential candidate for the coming election. Ernestine "Blossom" Hoff will be running for vice-president.

These candidates were announced last night by Homer Franck, convention chairman. Stirring campaign speeches were given by Representative Nancy Ambruster of Wisconsin and party leader Irene Ullmann.

Some said that was the party machine of "Boss Squires" that secured the nomination of Brown. Largely contributing to C.K.B. III's nomination was the radical platform revealed by the Westocrats featuring such planks as: no joint weddings at Westtown Meeting, and five day weekends. If Brown is elected, a modern white house designed by Charles Hazard will be erected. Gertrude King, noted white house painter, has offered her talents in giving the executive mansion a coat of brown and white paint. Pete Goodwin has offered to tune the the White House piano free of charge.

When asked to comment, the candidate replied, "Brevity is the soul of wit"

RIOT IN NIGHTCLUB

June 15, Las Vegas, Nevada At 1:00 A.M. this morning a riot at Jim Bucy's Gambling Casino on Nuggut Street resulted in \$10,000 damages and the arrest of four people. The police chief, Pete Lawrence, reported that ten men were required to subdue the rioters. Lawrence's Lieutenant, Koichi Tsunoda, has been hospitalized as a result of injuries received in an attempt to disarm "Dangerous Dan" Wills, the leader of the rioters. The club bouncer Dave Swartz, was also treated and released from General Hospital. Others arrested were Bill Lloyd, Herm

Ginno Wickham will not.

The Class of '54 wills its song "Evolu" to the rest of the Senior classes at Westtown.

Oh Evolu, Oh Evolu,
There is nothing in this world you cannot do,
You took a monkey, and you made him into man,
Long since, 'tis true.

But now you've brought a greater phenomenon to pass
You've taken 1954, an embryonic mass,
And changed it by some miracle into a senior class.

Third Class and Below

The 9th grade of this year is made up of 37 students, a third of which are day students. It is one of the few classes where the boys out-number the girls, in this case 20-17.

Class advisers for the 9th grade are Teacher Mary Borton and Master Gordon Berg, to whom we owe the success of a great many of our parties. Master Bob English and Teacher Mabel Elliott have taken over the job for the 8th grade, and Master Lawrence Newhall is the 7th grade homeroom teacher.

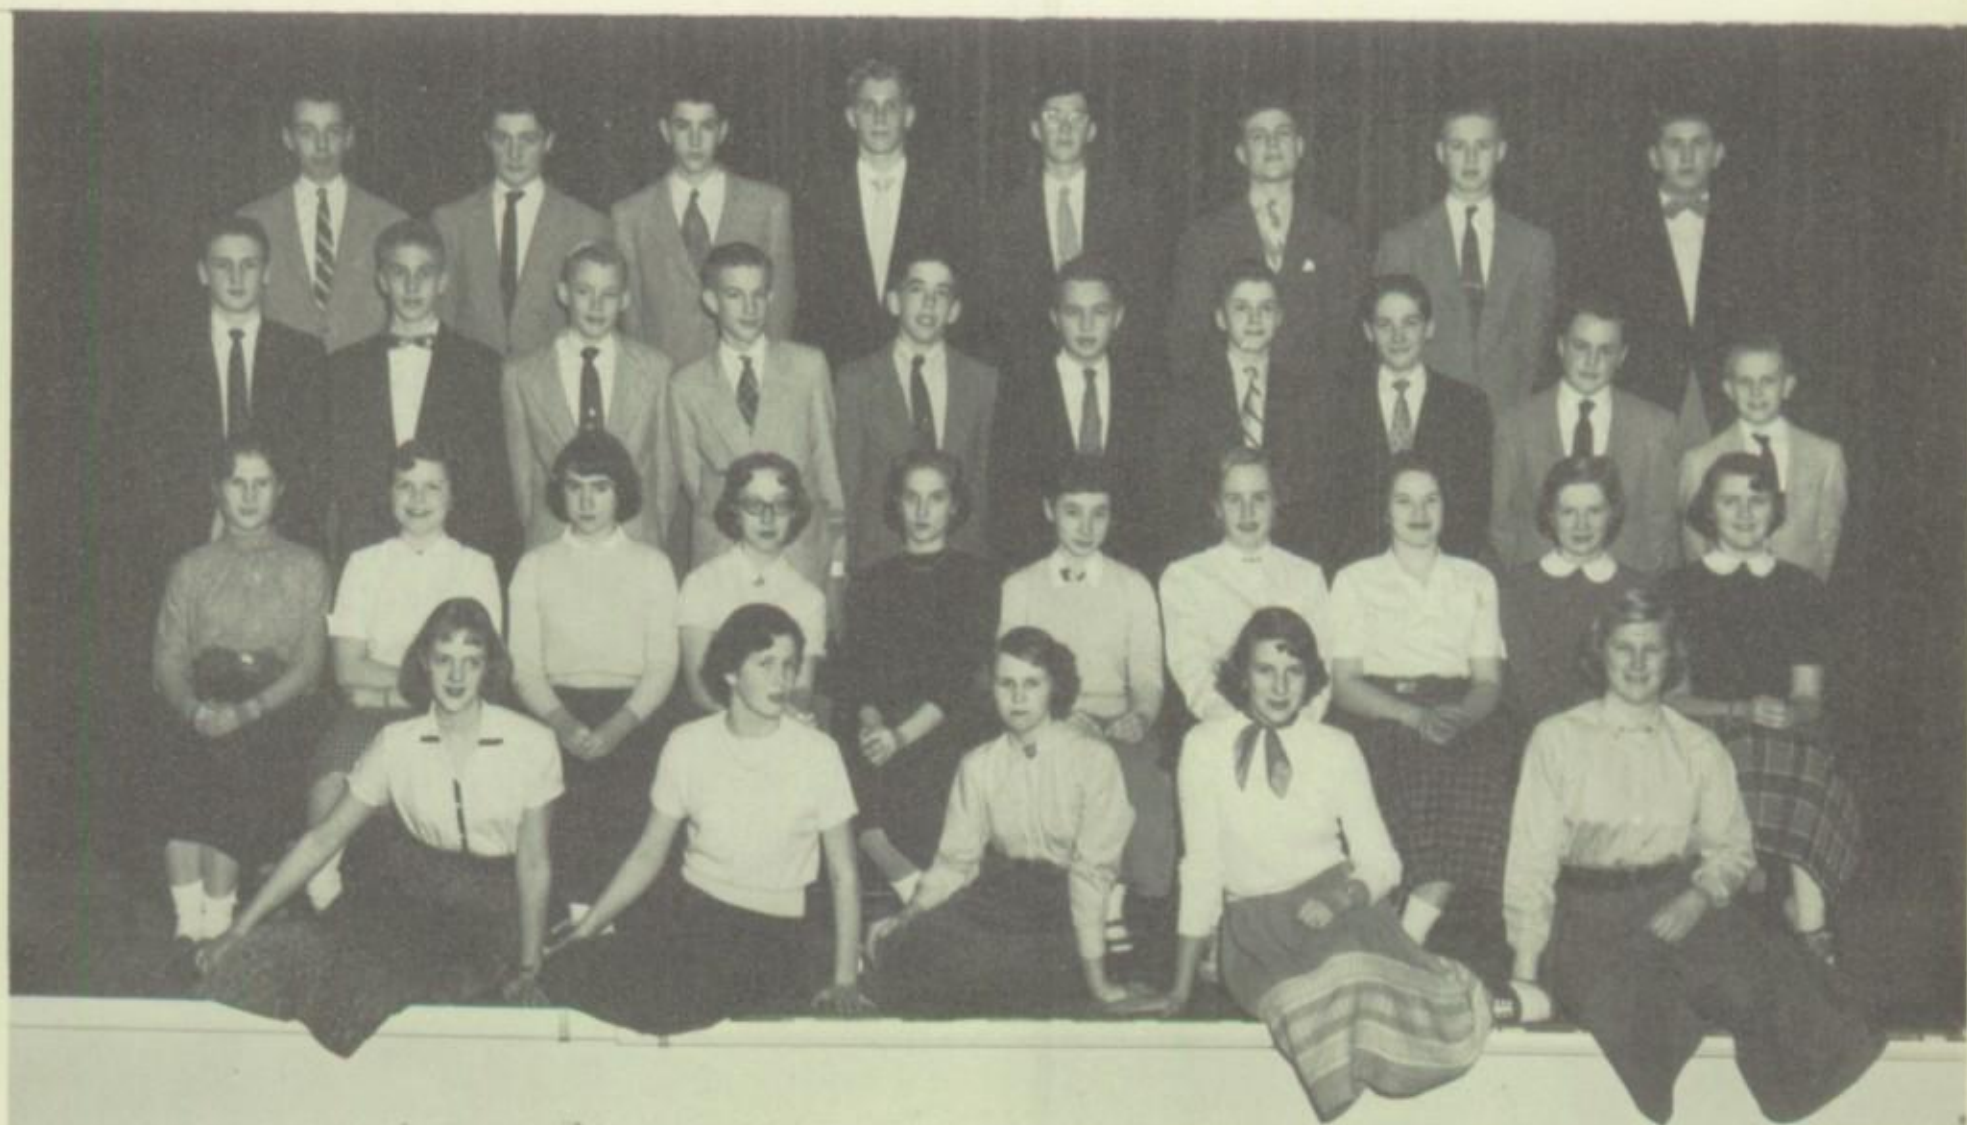

Representing the 9th grade as class officers are Mike McCulley, President; Svend Holsoe, Vice-President; Mary Pregnall, Secretary; and Barby Camp, Treasurer. The 7th and 8th graders also have class officers of which Sarah Test and Colin Kelly are presidents, in respective order.

The 9th grade is left out of very little, since it takes part in Glee Club, Service Committee, Dance Committees and Council. It is hoped, though not an exceptionally large class, that the 9th grade of this year has proved to be as good if not better than the 9th grades which have gone before it.

Second Class

The second class bulged with new students this year, taking on 21 new girls and 21 new boys. After only a few weeks of school, however, the class lost an old member, Sophie Carson, who had to move to California for her health.

Early in the year, Pete Hunter was elected President, Bonnie Moxey Vice-President, and Skeepie Scarborough Secretary-Treasurer, who did his best to collect the dues as soon as possible. The girls elected Sue Horsfield and Jean Yaukey as permanent council members, and the boys elected for the first half year Melvin Keiser, Glen Hudson, Skeepie Scarborough and others to boys' council. There were representatives in many other school activities; Service Committee, Steering Committee, Religious Life Committee, and the operetta.

From the brawn of the class, quite a few took part in Hockey, Soccer, Swimming, Basketball, Baseball, Tennis, and Lacrosse varsities. For brains the class of '56 is well represented on Honor Roll.

BACK ROW: Bill Hickman, Jack Kirk, Tom Towe, Dave Houghton, Dave Hobbs, Jim Bising, Bill Klein, Dave Daniels, Norman Franck, Irv Atkinson, Francois Dennery, Walter Hickins.

First Class

The class of '55 started off the year well by electing John Thompson for President, Mary Ellsbree for Vice-President, and Teddy Bersback for Secretary. To take care of class rings we elected two Treasurers, Pat Bringhurst and Tom Taylor.

Our council members were Alice Wilcox, Rosemary Harvey, Gail Dresdon, Dave Hobbs, and John James. Working hard for the Service Committee were Nancy Swan and Don Swartz, and Work Program Committee found Dave Hobbs and Judy Graham as first class representatives. First class was also represented on the "Brown and White" staff, the "Amicus" staff, Religious Life Committee, Steering Committee, and the cheerleading squad.

This year's First Class ought to make an outstanding Senior class next year with lots of musical talent, including those four members who had leads in the operetta, many on honor roll, and many members on every varsity team.

FRONT ROW: Phyllis Cook, Vito Victor, Judy Grove, Jim Forsythe, Meiling Dai, Dave Jenkins, Harriett Good. Do You

September: Slowly getting into the swing, of things, after initiation ceremonies, introductions, and camp suppers came to an end. First Hockey and Soccer practices, and election of class officers.

October: The Fall Dance in the new gym, early morning hymn sings at the lake house, Friends school Day with all the students becoming faculty, the beginning of Senior Play rehearsals, Mummers parade in the main hall and Halloween treasure hunts afterward.

November: The first snowfall of the year, Two exciting events in on November 7th, the George School game — victory at last! and the Senior play "Our Town". The hurry and scurry of the first "thorough" housecleaning in preparation for vacation. The special Thanksgiving dinner and the next day, finally, vacation.

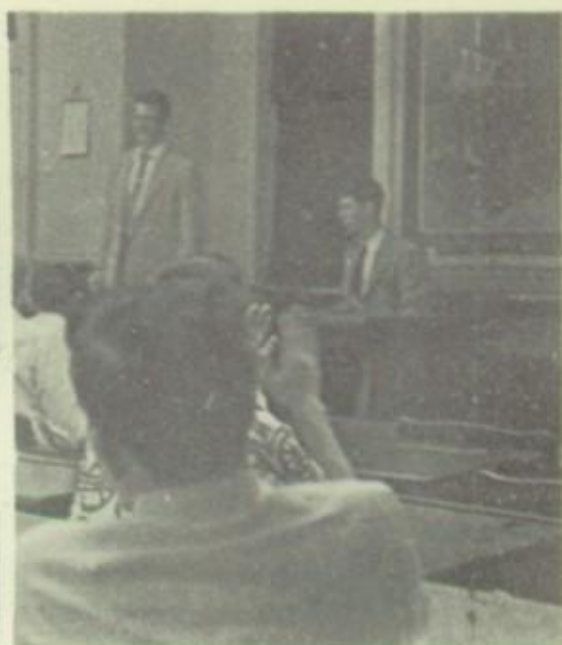

December: The beginning of colder weather with a little snow, Girls' Glee Club at vespers, and the Mixed Chorus concert. Christmas dance, candlelit dinner in the dining room with decorated tables and all the faculty present, Senior carolling, and off to vacation again.

January: Returning from vacation to find the Girls' Senior Parlor and several classrooms redecorated. First official basketball games in the new gym. Rush to get college applications in. Faculty play proving that "You Can't Take it With You".

Remember?

February: Workshop Theater one-act plays presented and Operetta rehearsals begun. In and Out and Roundabout Parties. The trip to Bombay Hook. Discussions of future careers on Parents' Day.

March: The Operetta, "Yeoman of the Guard". Quiet halls at Girls' End for College Boards. The Senior Banquet in the Casino. A select few meeting for the Cum Laude banquet, The end of winter sports and the practices of all the Spring sports in the cold March wind. At last came the last vacation of the year and the Spring Formal.

April: Return from vacation to find the renovation of the Casino completed. Card playing started! Beautiful Spring weather from the beginning of the term. John Buttrick's concert on Good Friday, Sunrise Service on Easter Morning. Daylight saving time bringing open Granolithic.

May: A full sports schedule, Senior tables with coffee in the morning, College acceptance panic, Alumni Day topped off by the presentation of the Shakespeare Play, "A Winter's Tale". The Amicus out (we hope) Election of the '55 S.B.P. and other heads of organizations for the coming year.

June: Finale! The beginning of the end — finals. Departure of underclassmen on the Saturday of the Class Day Banquet and Dance. Senior Parties, Reception on the lawn the night before graduation with the program of Senior review of '54 afterwards. Wednesday, June 16th. The big day finally arrived and we leave with mixed emotions, remembering all these things about Westtown.

Student Body Presidents

Our S.B.P.'s for this year of '53-54 are Kathy Preston at girls' end and Chad Squires at boys' end. Both are quiet, but this fact certainly does not hinder them in their leadership of the councils. To quote Master Dan, "You can't have improvements in anything unless you are willing to experiment," and Kathy and Chad have been working with this thought in mind. The two most notable examples of their successful efforts are the new detention systems and Friends' School Day.

Kathy and Chad spent many long, hard hours working out plans for Friends' School Day, which was held last fall right here at Westtown. This was the teachers' day off, when the students stepped into the spotlight, and nearly every Westtown student had some special job, whether it was teacher, guide, study hall proctor or work on any of the special crews necessitated by the great number of visitors that day. It was chiefly because of the efficient and well organized planning of these two heads of council that the day ran so smoothly.

Kathy has been at Westtown for four years, and during that time she has become known to students and faculty alike for her quiet friendliness and her generosity. She has been in council every year as either a rotating or a permanent member, attending the Cum Laude banquet last year, and has not only played on varsity hockey, lacrosse, and basketball teams, but is captain of the varsity basketball team this year.

Chad came to Westtown in his sophomore year, and his genuine spirit and quiet but enthusiastic manner made him popular at once. Chad's extra-curricular activities have been many; among them soccer and basketball jayvee, baseball varsity, 1953 Amicus staff, council, stage crew, and last, but far from least, boys' S.B.P.

FRONT ROW: Doug Kerr, Bob Strickland, Chad Squires, Ben Smith. BACK ROW: Pete Yoder, Bill Lloyd, Phil Stevenson, John James, Dave Hobbs, Tom Taylor, John Scarborough.

Boys' Council

This year Boys' Council was well led by hard working Student Body President, Chad Squires and Chief Proctor, Bob Strickland. As usual Council found themselves fortunate to have the able advice of Master Al Hay.

In addition to the regular duties of starting off new students, putting on the Christmas Dance, and publishing the handbook, Boys' Council made a number of important accomplishments in the disciplinary field. Most important of these was the elimination of regular detention for latenesses and sleepovers, which had formerly proved ineffective. Also a new institution known as "Breakfast Club" was started to take care of habitual late risers. Though the organization had to struggle a little to keep its prestige up it became more successful in doing so.

FRONT ROW: Jean Yaukey, Gail Dresden, Harriet Merrill. MIDDLE ROW: Joan Sachse, Sandy Turner, Faculty Adviser Anne Wood, Kathy Preston. BACK ROW: Sue Horsfield, Alice Willcox, Mimi Oliver, Rosemary Harvey.

Girls' Council

Running efficiently under the leadership of Kathy Preston, and faculty advisor, Teacher Anne Wood, the Girls' Council began the year of '53-'54 by revising the detention system. Every Monday night suggestions made by the students were thoroughly discussed, and later the suggestions and the decisions arrived at by council were read in evening collection by the Student Body President.

Together with Boy's Council, they were responsible for the handbooks, some renovations in the Casino, and the Christmas Dance held in the new gym. Friends School Day was another project undertaken by the Councils in co-operation with other committees.

At the inaugural party held in May for the successors of this year's Girls' Council, everyone was agreed that the year as a whole was run very smoothly.

Work Program Committee

Every Tuesday after lunch a small file of students marched down to Master Charlie's office. Here the work program committee headed by Pat Smiley and Dave Swartz, did its best to solve the problems which arose in the carrying on of work jobs. With the expert guidance of Master Russ Edgerton and Teacher Mary Webb, the committee managed to bring about a higher degree of efficiency in the work program system.

The most important factor of this program is the aim to promote character building through co-operation and participation in work jobs. Thanks to the fine spirit of the student body, the Work Program committee feels it has had a successful year, beneficial to everyone.

FRONT ROW: Teddie Bersbach, Cissie Harlow, Barbara Comroe, Ginno Wickham, MIDDLE ROW: Pete Badeau, Flip Whittaker, Faculty Adviser Tom Purdy, Polly Gerenbeck. BACK ROW: Francois Dennery, Said Abu-Rish, Art Gans, Melvin Keiser, Allan Willcox.

Religious Life Committee

Religious Life Committee was revived about four years ago for the purpose of planning Vespers programs for Sunday evenings. The members, two boys and two girls from Senior, 1st and 2nd classes, were chosen by the Student Council. Master Tom Purdy directed the Committee.

This year the Committee was full of spirit and differing view-points. The members hashed over problems with gusto and then came to hard-earned but satisfactory conclusions. They made successful decisions on such various programs as talks by outside speakers of other faiths and by faculty members, student readings, directed mediations and musical presentations.

FRONT ROW: Faculty Adviser Nelle Selby, Tom Van Arkel, Faculty Adviser Jan Long, Anne Biddle. MIDDLE ROW: Teddie Bersbach, Ben Smith, Polly Gerenbeck, Pete Day. ABSENT: Faculty Adviser Anne Wood.

Steering Committee

Every Tuesday after lunch, the Steering Committee and its faculty advisers get together and "rack their brains" for original socials that will include everybody. The main undertaking this year was getting the roller skating in the new gym organized.

This social program got underway with a "bang" in the beginning of September. Square dances, with Master Jan as caller, were held in the new gym. Teacher Mary played "Arthur Murray" on Thursday nights, and introduced the dancing enthusiasts to new techniques. Other after dinner activities consisted of Teacher Ernestine at the piano, volleyball tournaments, talent shows, records in the South Room, and occasionally open Casino and open parlors.

Altogether, the Steering Committee has a lot of fun thinking up ideas for socials and putting them into action.

FRONT ROW: Sarah Test, Gail Coffman. MIDDLE ROW: Faculty Adviser Marty Giessler, Denny Walters, Nancy Swan, Ginno Wickham, Faculty Adviser Agnes Thomas. BACK ROW: Dick Kelly, Doug Kerr, Charlie Brock.

Service Committee

This year Westtown's Service Committee was really a "going concern." The school was made thoroughly aware of the Service Committee's existence and of the individual's responsibility to its success. The aims of the committee this year were to raise money for a \$500 house in Korea and for a summer workcamp in Europe in the future; and to make the students aware of conditions both local and more distant in which help is needed.

Our exchange student from Kassel, Irene Ullmann, a senior girl this year, was brought about through the Service Committee.

Under the enthusiastic leadership of Denny Walters and Doug Kerr, with faculty members Teacher Agnes Thomas, Teacher Marty Giessler and Master Fred Swan, the Service Committee received a new stimulus. Food sales, calendars, knitting goods, workcamps in West Chester, Wilmington, and Philadelphia, and general fund drives accomplished the Committee's aims.

Faculty Adviser Eugene Raiford, John Stefferud, Dave Swartz, Phil Stevenson, Herman Feissner, Don Swartz.

Boys' A.A.

The '53-'54 Boys' Athletic Association under the guidance of "Colonel" Raiford, faculty adviser, was headed by Phil Stevenson, with John Stefferud in charge of finances and minutes.

The intramural "Brown and White" competition was kept running at full tilt, with every boy playing in the games with others of his calibre. These games proved to be exciting, with much spirit behind them, and fun for all.

During the year, the executive board, comprised of managers of the various sports in addition to the President, Treasurer and Adviser, met to approve athletic bills, and varsity and J.V. letter awards. Different problems that arose during the year were successfully dealt with during these meetings.

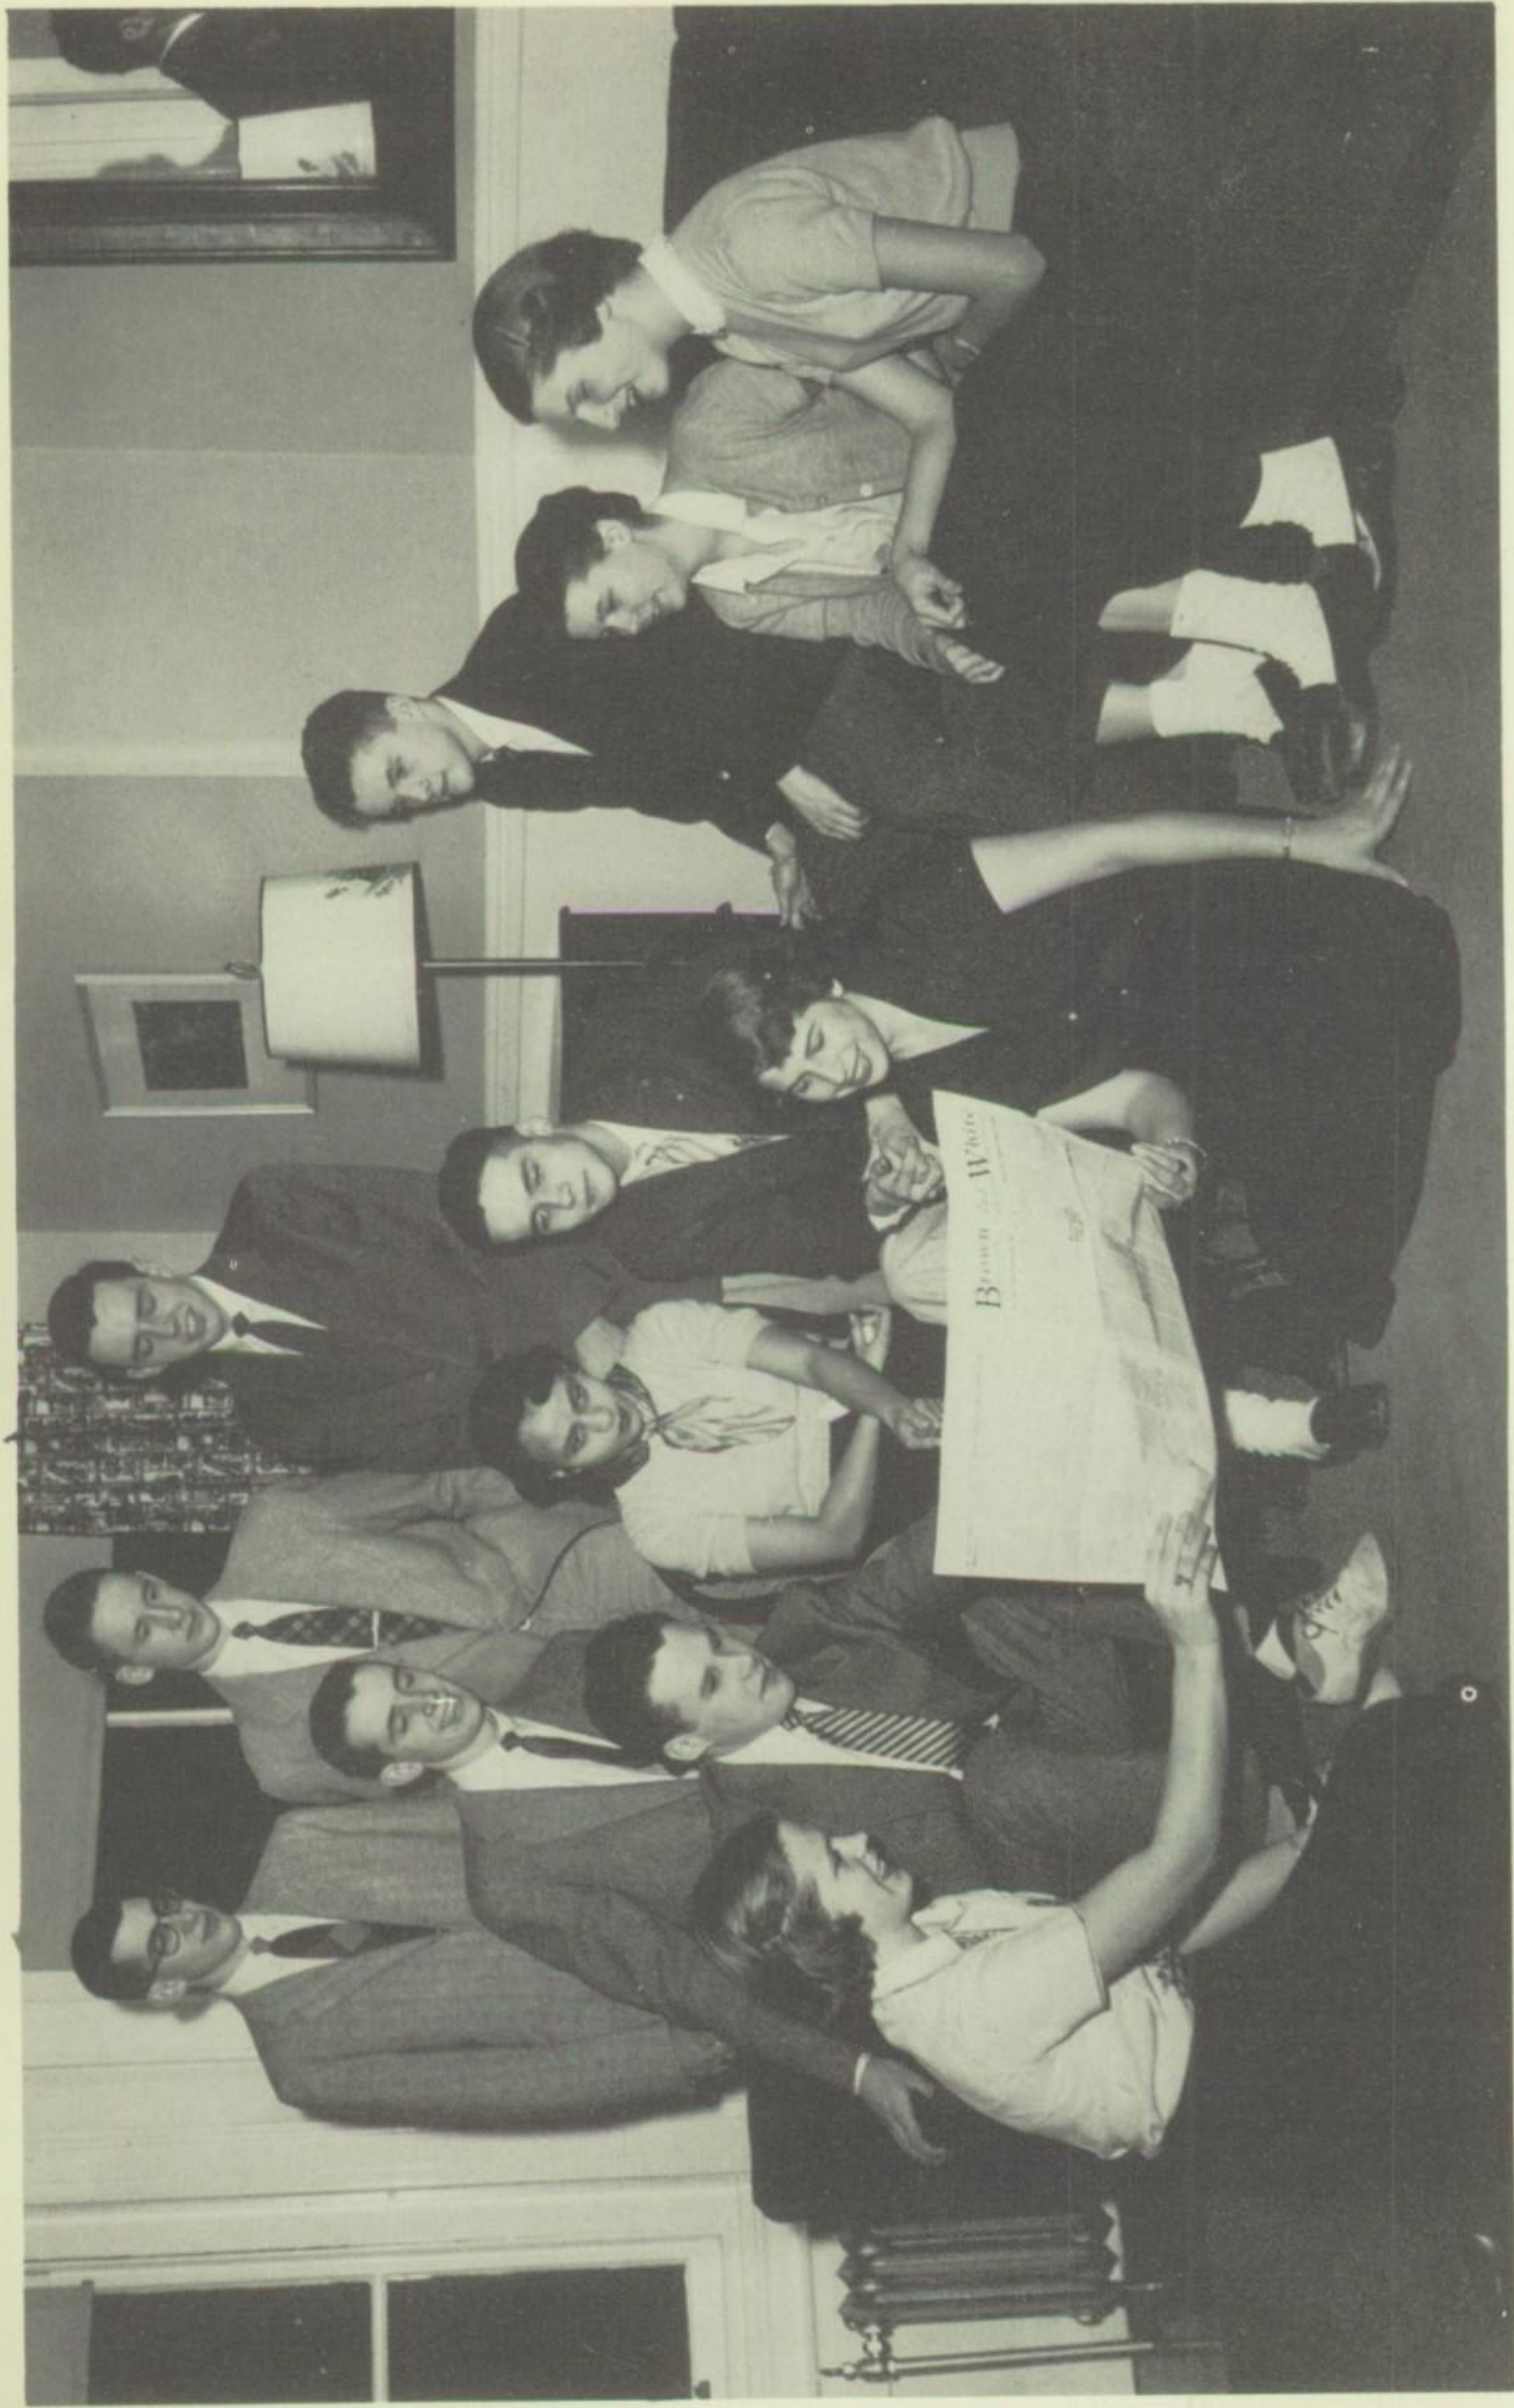

FRONT ROW: Happy Parry, Anne Harrison, Betty Vail. MIDDLE ROW: Helen Boulware, Anne Biddle, Mona Johanning, Barbara Brock, Ann McCoy, Carol Rusch, Faculty Adviser Mary Borton. BACK ROW: Eve Mitchell, Denny Walters, Sally Barton, Judi Scattergood, Sandy Shigo.

Girls' A.A.

"There's an A.A. meeting tonight at 9:30" was a frequent announcement heard in collection as Mona Johanning, President of Girls' A.A. for '53-'54, made sure everyone would be present to decide some questions dealing with girls' athletics, intramurals, etc.. With faculty adviser, Teacher Mary Borton, and Mona Johanning running the show, Anne Biddle "veeping", Sally Barton recording the minutes, and Helen Boulware in charge of the treasury, the A.A. executives kept things running smoothly together with the managers and the Brown and White captains, Denny Walters and Squeaky Mitchell. The managers for this year were Ann McCoy, hockey; Betty Vail, basketball; Anne Harrison, swimming; Carol Rusch, tennis; Happy Parry, softball; Sandy Shigo, archery; and Barby Brock, lacrosse.

It's hard for students to realize how much goes into putting out the "Brown and White" every three weeks. The staff of the "Brown and White" of 1954 will never forget the struggle of getting out its first issue, having to learn all the unfamiliar terms of typesetting at once, persuading people to write articles, and making the articles fit into the five fourteen inch long columns of page. By now it has gotten used to the routine; and the organization of Homer, Helen, and Lou has dispelled in part the frantic chaos of those few "Work Sundays", when the staff met in the Senior parlor to rewrite, type, and headline its articles. Now when the staff thinks of "Work Sunday", it envisions a milder form of chaos, rattling typewriters, loud guffaws of Homer laughing at his own jokes, comments like, "Well how do you spell receive?", "Hasn't anyone got an idea for an editorial?", and, "Hm! this paragraph just doesn't make sense!" As the day approaches for the new staff to take over and be swamped with work, the present staff feels its duty to pass the following advice: One doesn't have to develop apoplexy unless absolutely necessary. The paper will come out in spite of everything.

The first problem before this year's board was deciding how to make the yearbook somehow new and different. After beating their brains and gums for awhile, the Amicus staff came up with the ideal of having James Thurber drawings sprinkled through the book accompanied by Ogden Nash quotations. Trudy produced the former while a committee was responsible for the latter. Besides using a little imagination the staff had plenty of hard work to do, but with the co-operation of others not on the staff the amount was lessened considerably, and all help was appreciated.

A great deal of credit goes to Hugh Dodd, advertising manager, who was given his job late, but who nevertheless pitched right in and did a swell job of getting those necessary adds.

Stage Crew

The stage crew, established for 24 years now, is made up of an assorted group of boys who twiddle the dials at the dances, flick the switches at the "Kollecting Room Kinema", and do what ever happens to come up at the Saturday night programs. The old standbys this year were Don Boyd, Dave Glass and Dick Houghton. The three newcomers, who will carry on next year, were Norman Frank, Even Alderson, and John Nicholson.

The big items for the year included the senior play, the faculty play, the operetta and the Shakespeare play in the Greenwood. The big dances of the year also required their amount of lights and sound. This, and all the little weekly occurences make a full schedule for the men behind the scenes. Many thanks to Master Burdette Bernard this year for his valuable help as faculty advisor.

Girls' Glee Club

The Girls' Glee Club, under the able direction of Teacher Ernestine Hoff, was made up of many old and new students this year.

Their main performance was a Christmas Vespers program which consisted of a variety of selections. Among these were traditional Christmas carols, such as "From Heaven High The Angels Come", "Catalonian Christmas Carol", and "Holly And The Ivy", folk songs such as "No Candle Was There And No Fire", and modern carols such as "Wreath The Holly, Twine The Bay", "Noel", "As It Fell Upon A Night"; all of which encouraged the holiday spirit.

Much credit goes to Teacher Ernestine who thru patient guidance and sincere interest helped to win the organization its fine reputation.

Orchestra

Although rehearsals were still held after supper on Tuesdays and Fridays, Orchestra underwent many changes this year. To top the list we had a new director, Master Bill Pierce. His enthusiasm spread rapidly through the student body and overnight the orchestra doubled in size. The Westtown Committee, seeing real possibilities for our success, purchased a bass, viola, and music stands. Everyone worked diligently on such selections as *The Tschai-kousky Suite*, *March Militaire*, and *The King and I*. In the spring we did ourselves proud with the program in the auditorium. This was proof that our efforts were well spent.

Choir

Choir is a new activity this year, introduced by Master Bill Pierce. It consists of four sopranos, four altos, four tenors, and four basses, plus a few alternates. These were all picked from Mixed Chorus.

Originally Master Bill, with Teacher Ernestine Hoff's assistance, chose the group to form a Vesper's Choir, but it has also performed within Mixed Chorus in evening and assembly programs. Though not exactly a theme song, "The Lord Bless You And Keep You" has been included at the end of almost all performances.

Mixed Chorus

Mixed Chorus numbered sixty members this year with Dick Kelly as president, Chad Squires Vice-president, and Nancy Ambruster Secretary.

Master Bill Pierce's first year proved very successful and, of course, Teacher Ernestine Hoff's patient piano accompaniment was invaluable. The Christmas concert was a great success —, "the best in seventeen years", some said ... ! The program included spirituals as well as religious and Christmas music, and was climaxed by the triumphant "Hallelujah Chorus".

The highlight of the Chorus' year, however, was the Gilbert and Sullivan operetta, "The Yeoman of The Guard", with Master Bernie Haviland as stage director. All concerned had a lot of fun (as well as learning something!)

Also other Yeomen, Gentlemen, Citizens and etc.

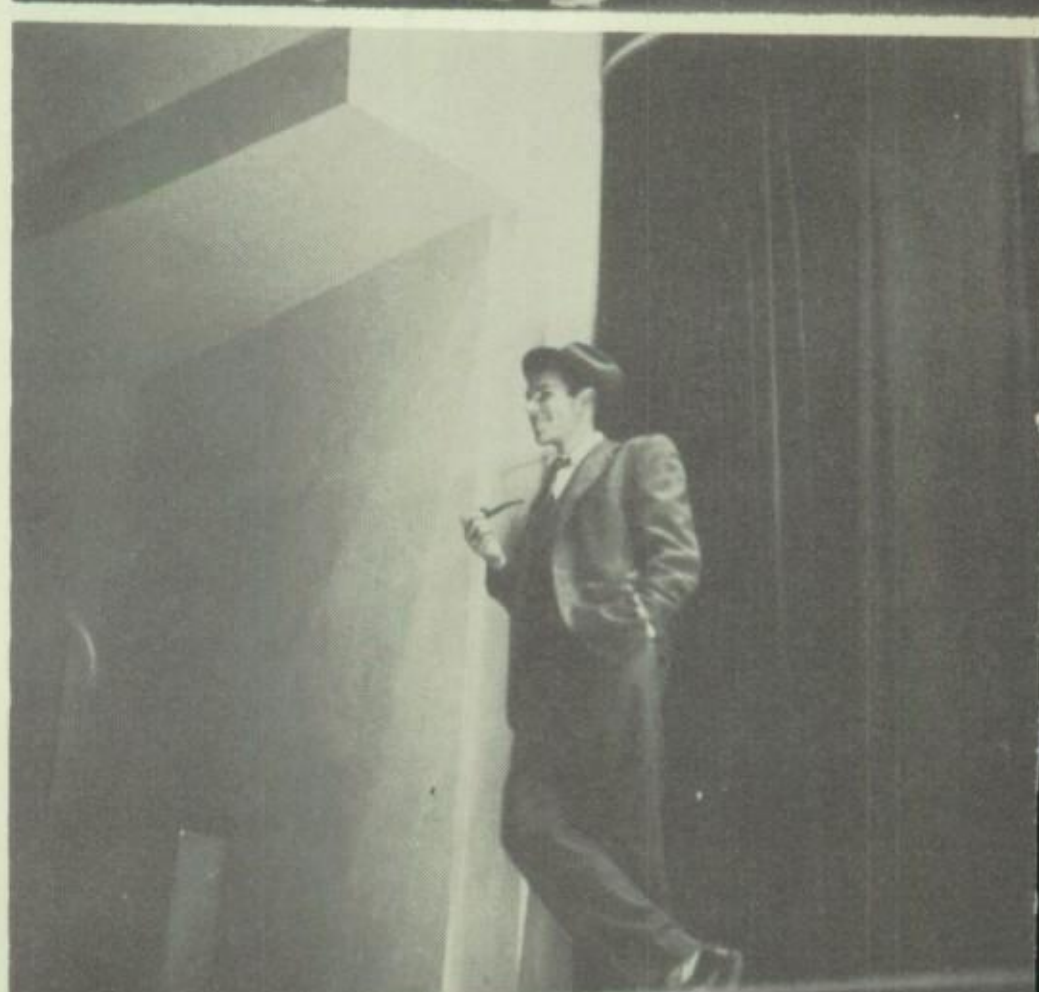

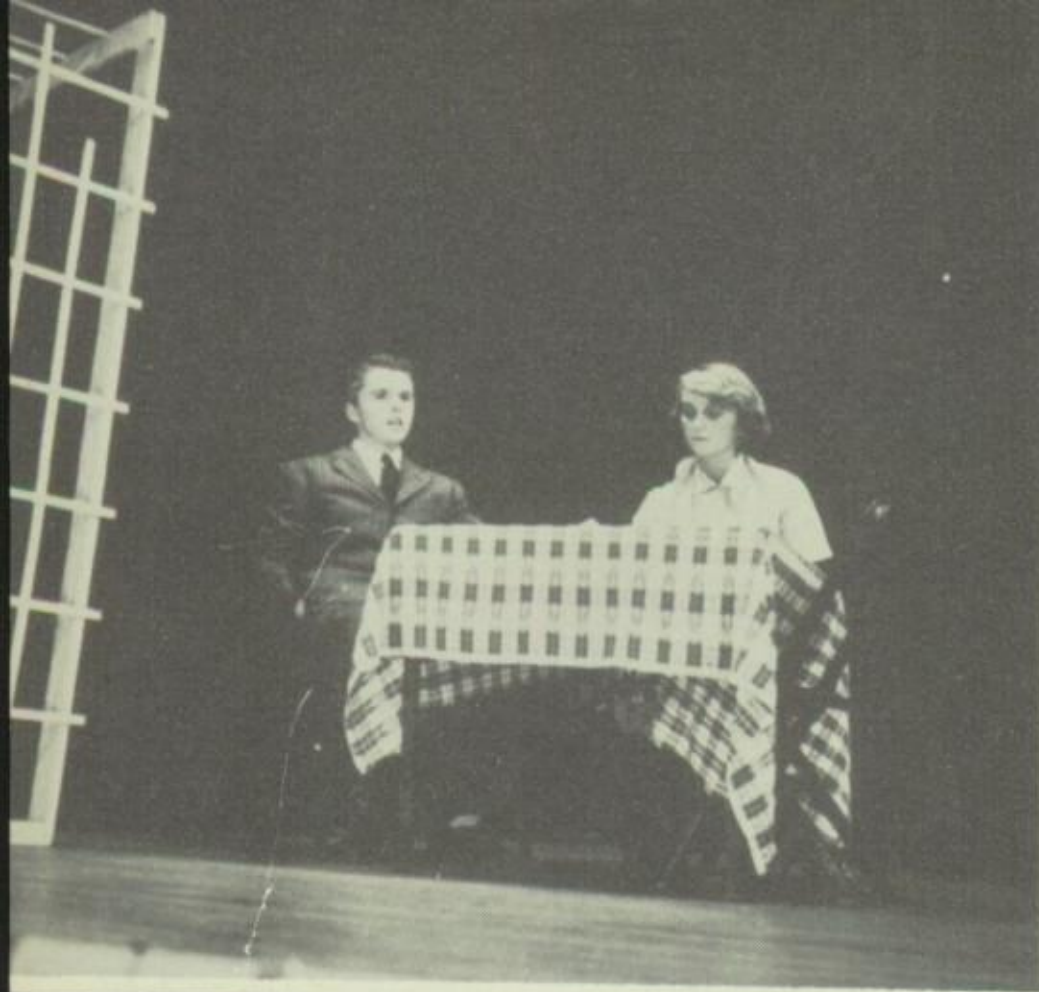

One of Gilbert and Sullivan's better operattas, "Yeoman of the Guard", was given on March 6, 1954. The complete operetta takes place on London Tower green in the sixteenth century.

Wilfred Shadbolt, head jailor, loves Phoebe Meryell, daughter of Sergeant Meryll, of the Yeomen of the Guard, but she likes Colonel Fairfax, imprisoned as a sorcerer. Dame Carruthers, the Housekeeper, believes the colonel guilty. The Sergeant has a faint hope that his son Leonard may bring a reprieve. Leonard arrives, but with no reprieve. A plot is planned; Leonard is to wear a yeoman's uniform, posing as a newly arrived recruit.

It seems that if the Colonel died unmarried, a kinsman, who has charged him with sorcery, will succeed to his estate. Can some woman be found to marry him but for an hour? The Lieutenant of the Tower, Sir Richard Cholmondeley, is doubtful.

Now Jack Piont enters with Elsie Maynard. Elsie agrees to marry the colonel, while Point becomes the Lieutenant's jester. Phoebe steals the keys of the cells from Wilfred; her father frees the colonel, and introduces the prisoner, as a Yeoman. The execution bell tolls. The guards go to fetch the prisoner, and rush back to say that he's escaped.

As Fairfax's reprieve arrives, Elsie's marriage will stand. Phoebe is free to take her Wilfred, Dame Carruthers pairs off with Sergeant and only Jack Point is left without a partner. Many thanks are due to the unsung who made this production possible and successful; Master Bernie for his direction, Teacher Ernestine and Master Bill for the music, and all the others who contributed their time and energy.

It was Tom vanArkel, the stage manager, who introduced a receptive audience to "Our Town", presented as this year's Senior play. Grovers Corners, N. H., a rural New England town, was the creation of Thornton Wilder. The time was the creation of Thornton Wilder. The time was the eve of the 20th century.

As the curtain went up Doc. Gibbs, the town doctor played by Dick Kelly, was just returning from "a call over in Polish Town".(twins!) Next door to the Gibbs lived the Webbs. Mr. Webb, played by Doug Kerr, was the publisher and editor of "The Grovers Corners Sentinel." In the first act the audience lived an average day with these folks. Mrs. Gibbs, played by Sandy Shigo, called their children to breakfast and packed them off to school. In the second act George Gibbs, played by Pete Goodwin, and Emily Webb, played by Sandy Turner, were finally married. Death struck in the third act as Emily joined Mrs. Gibbs and "the others" in the hilltop cemetery. We all will remember Emily's parting words as she left this world, "Oh, earth, you're too wonderful for anyone to realize you! Do any human beings ever realize life while they live it-every, every minute?"

The class of '54 feels that this play was a great success, and our many thanks go to Teacher Agnes; Master Bernie, the make-up, costume, properties, and stage committees whose time and effort contributed a great deal toward making it what it was.

The directors of the Shakespeare plays, Master Bernie Haviland and Teacher Agnes Finnie, turned this year from the more familiar plays to present *The Winter's Tale* on May 29th. This was one which had never before been directed for an Alumni Day performance.

The plot, covering a period of sixteen years, is quite complicated and concerns mainly a beautiful girl named Perdita. As a baby, she had been left on a desert island to die, but was then rescued by a kindly, old shepherd. The story is that of a typical Shakespearean comedy with confusion, gaiety, hardship, and, of course, final happiness for everyone.

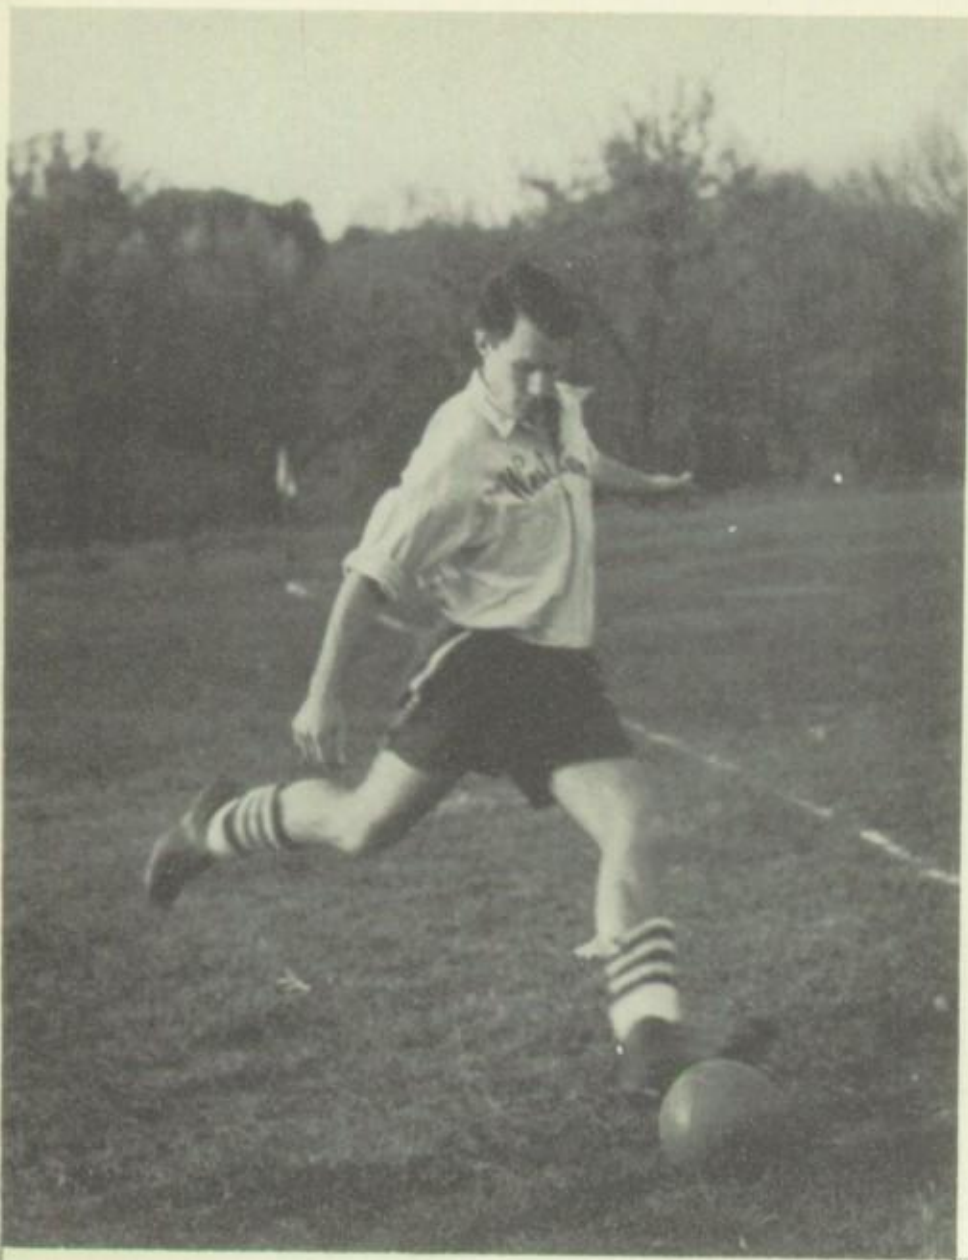

With everyday garb discarded and disguised as Shakespearean characters, the actors gave quite a convincing performance. Many, many thanks are due to the directors and all the cast for an entertaining evening.

Soccer

Westtown's Varsity soccer team, coached by Masters Bob English and Dan Test, had one of its finest seasons of recent years by compiling a record of five wins, three defeats, and one tie. It began the season by handling Friends' Central a crushing 7-0 defeat. The highlight of the season was the 3-1 victory over George School, our traditional rival. In the final game of the season Westtown lost to Girard College, the defending Philadelphia City Champions, by a score of 2-1.

Of the thirteen men who received Varsity letters, ten were seniors and three were juniors. However, with many Jayvee members returning, next year's team should have another successful season.

Hockey

Looking at the win-loss record is not the way to judge the success of the hockey team this year. Captained by Sally Barton, only returning Varsity player, the B and W's never lost a game by more than one or two goals. They showed their ability by tying an undefeated George School team in the most exciting game of the season. Competing for the Philadelphia Private School title, they took second place in the final tally.

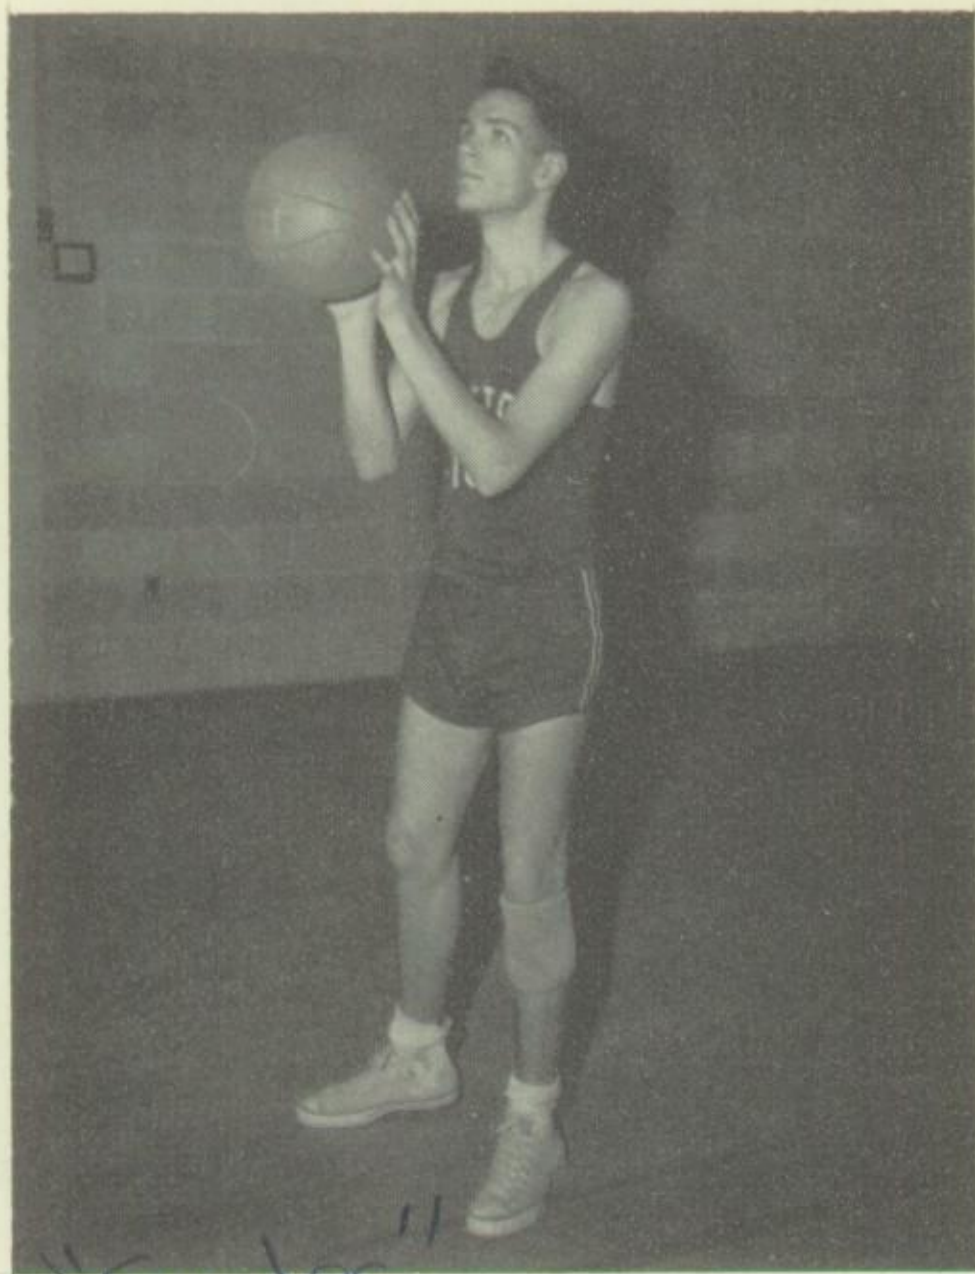

The Jayvees had a somewhat more successful record than the Varsity, winning over half their games. Ably led by Captain Eve Mitchell, they showed excellent team spirit and produced several potential Varsity players.

Many thanks go to Coach Mary Borton and Manager Ann McCoy without whose leadership and assistance the squad would never have had the wonderful games that they did.

Boys' Basketball

The '53-'54 Basketball team opened its season with an impressive win over Wilmington Friends. From there Westtown went on to win three and then drop two. Still smarting from defeats by Malvern and Moorestown, the Brown and White, playing without its two high-scoring forwards and a varsity guard, sneaked by a surprised Tower Hill five to win 38-35. The same team spirit and fight which beat Tower Hill was responsible for a second-game victory over Malvern prep, the first in four years. The team finished the season with an 11-5 record, the best since 1949.

Several new scoring records were established. In the final game of the year Westtown scored 96 points against Sanford for a new single game record. Jack Alofs, a newcomer, racked up 46 points against Church Farm to break the old individual record by one point. He was also high scorer of the year with 240 points, followed by Captain Tom van Arkel with 191 and Covie Winsor and Dave Hobbs who also scored more than a hundred points.

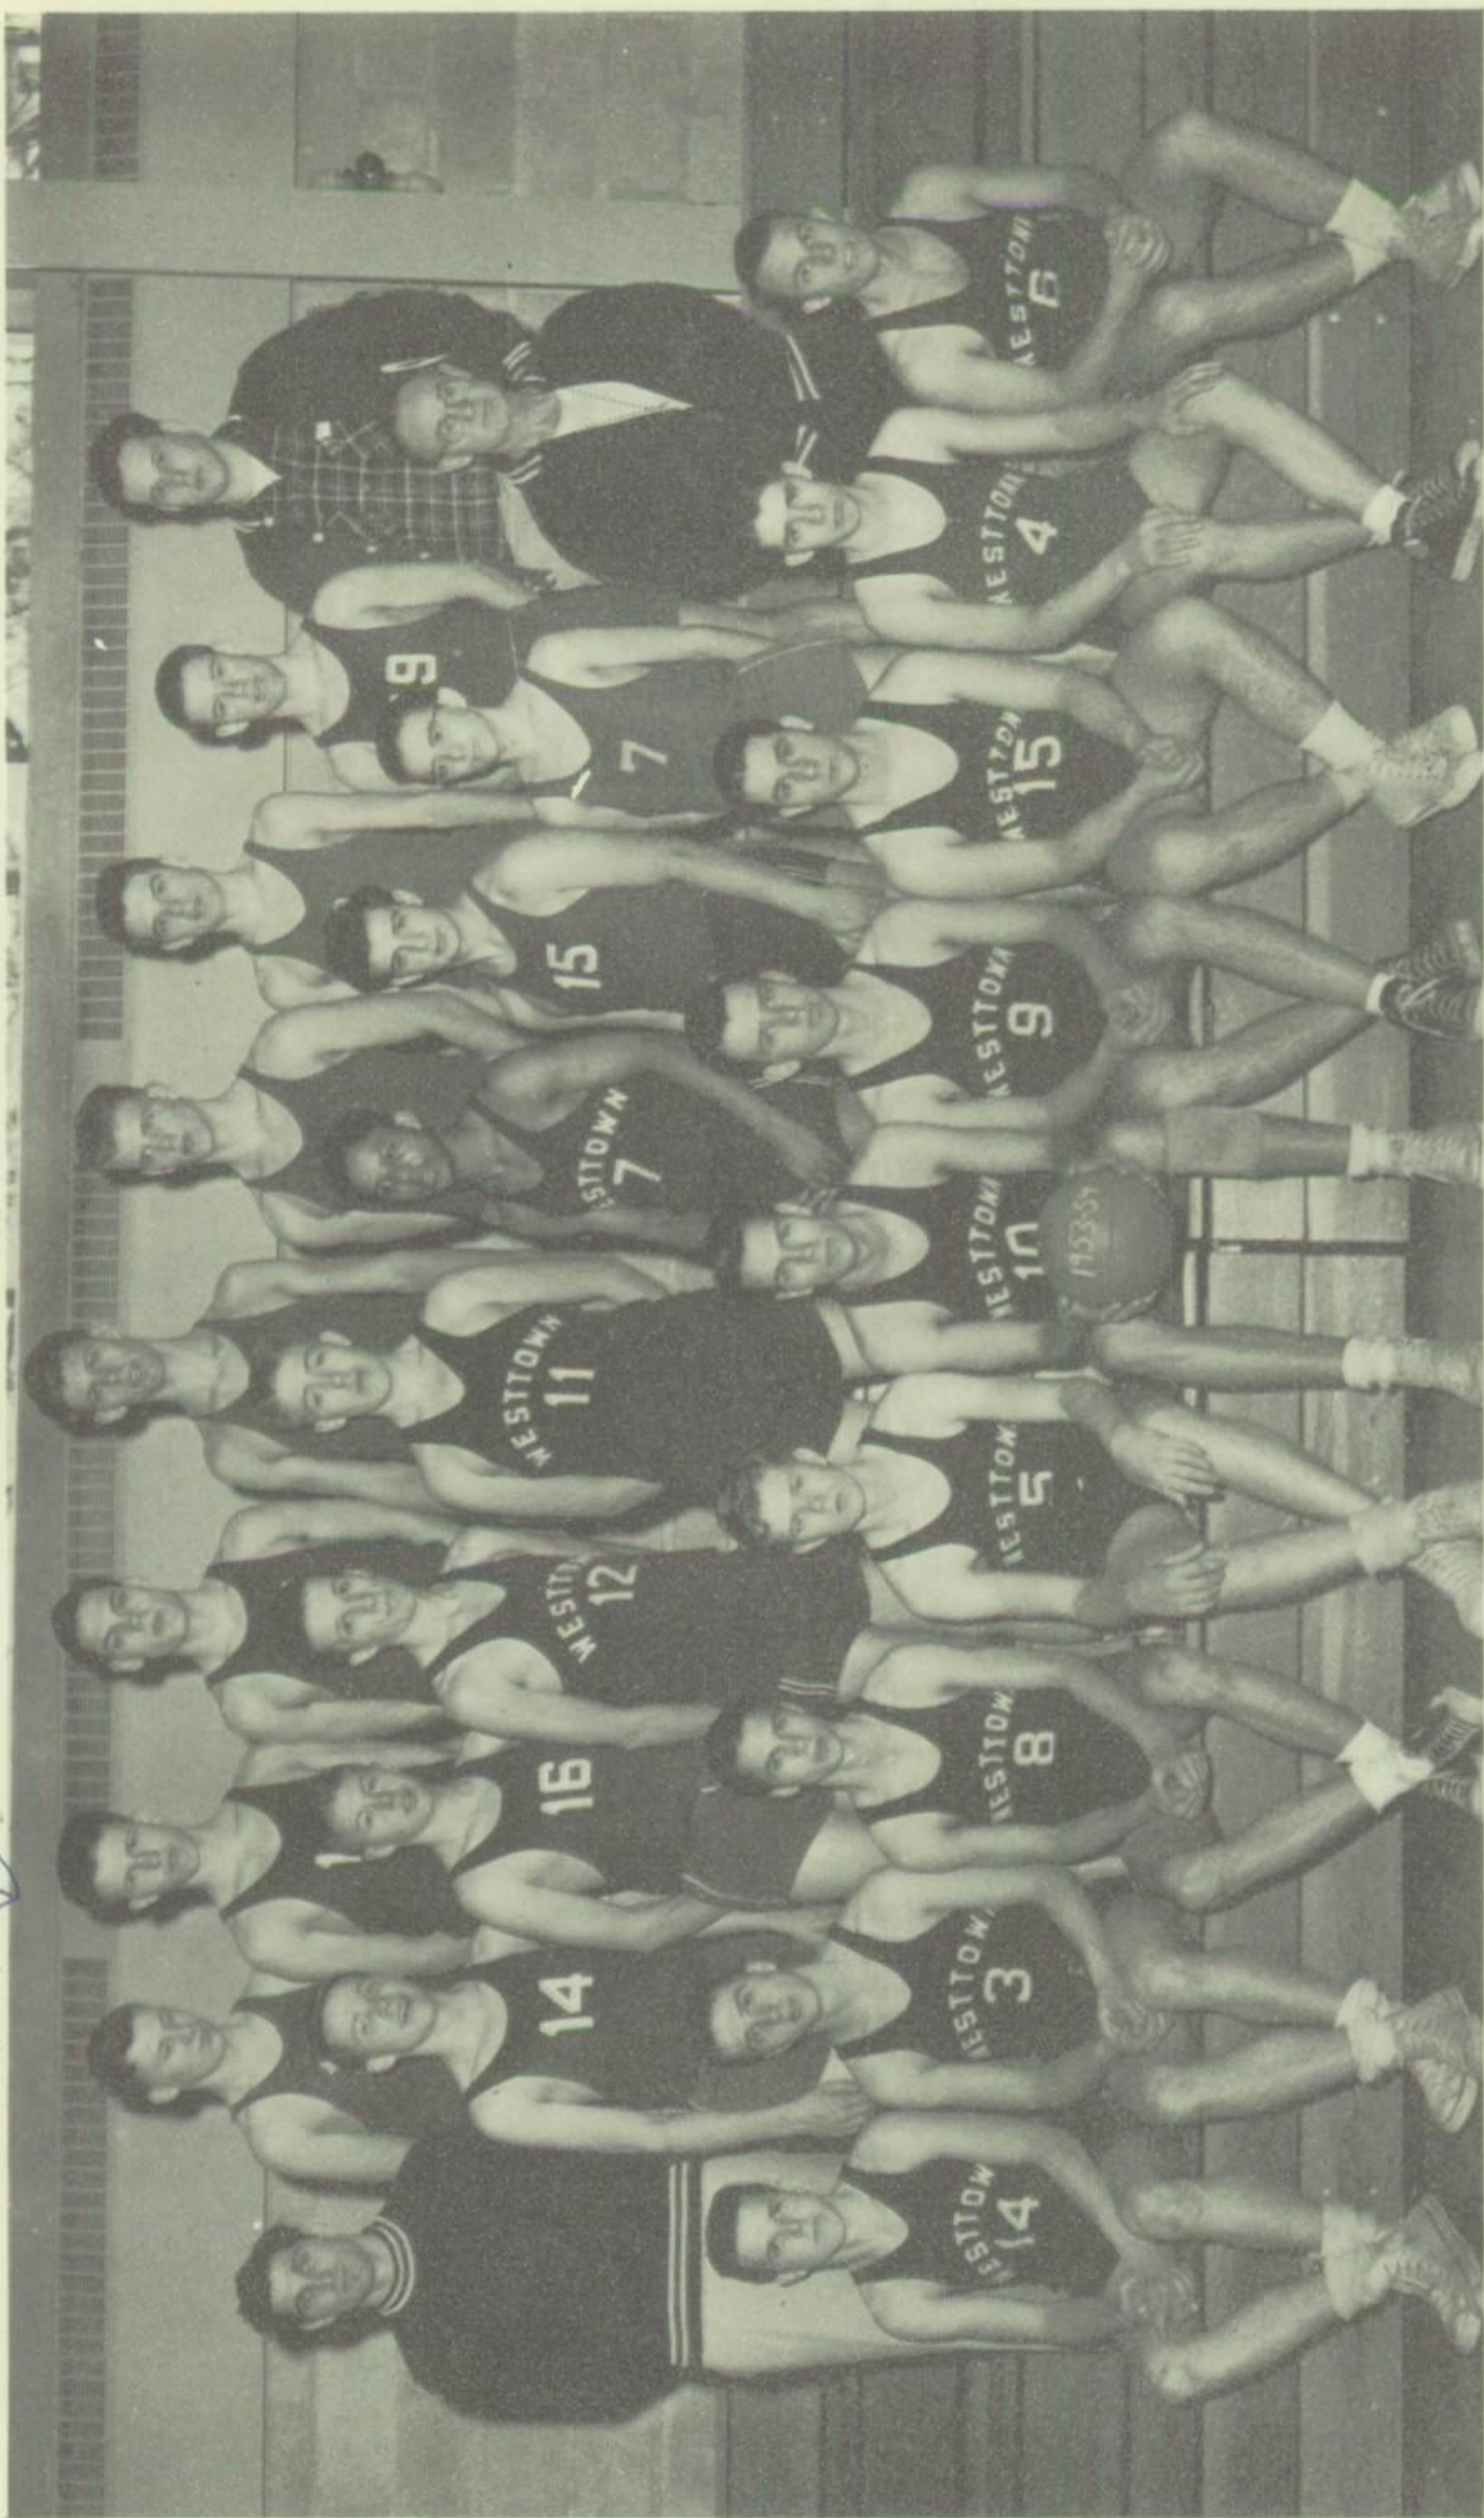

Captain van Arkel, Alofs, Winsor and Stevenson of the varsity and Evens, Squires and Strickland of the J.V. will complete their work at Westtown this spring.

Girls' Basketball

This year the Girls' Basketball team was made up almost completely of newcomers to the squad. Only three or four girls had been on Jayvee last year. Even so, a good varsity team was put together by the two coaches, Teacher Mary Borton and Teacher Mary Webb, and captained by Kathy Preston. The Jayvees worked up some good teamwork also under Captain Helen Boulware, and the team spirit was high. Although the record of wins was rather slim, and the team lost their final game against George School, the team played hard and well throughout the whole season. Thanks go to Manager Betty Vail.

Good? More than that — it was great! What's being referred to? The girls' swimming team. With the driving energy of Coach "Mike" Smith behind the team, how could the girls help but pull through with the best record in years?

For the first time in years, we won over Lower Merion as Jan McGourty set a new breast stroke record. Also the medley record was broken. All through the season with Sybil Stocking and Janet Hoganauer diving, plus all the returning letterman, new material, and Captain Barbie Brock's enthusiastic encouragement, our team was always on the top.

Boys' Swimming

With Dan Wills and John Stefferud as co-captains and Don Swartz as manager, all under the able coaching of Master Fred Swan, the Boys' Swimming team looked forward to what they hoped would be a successful season. Barring the disappointment of the George School meet, it turned out that way.

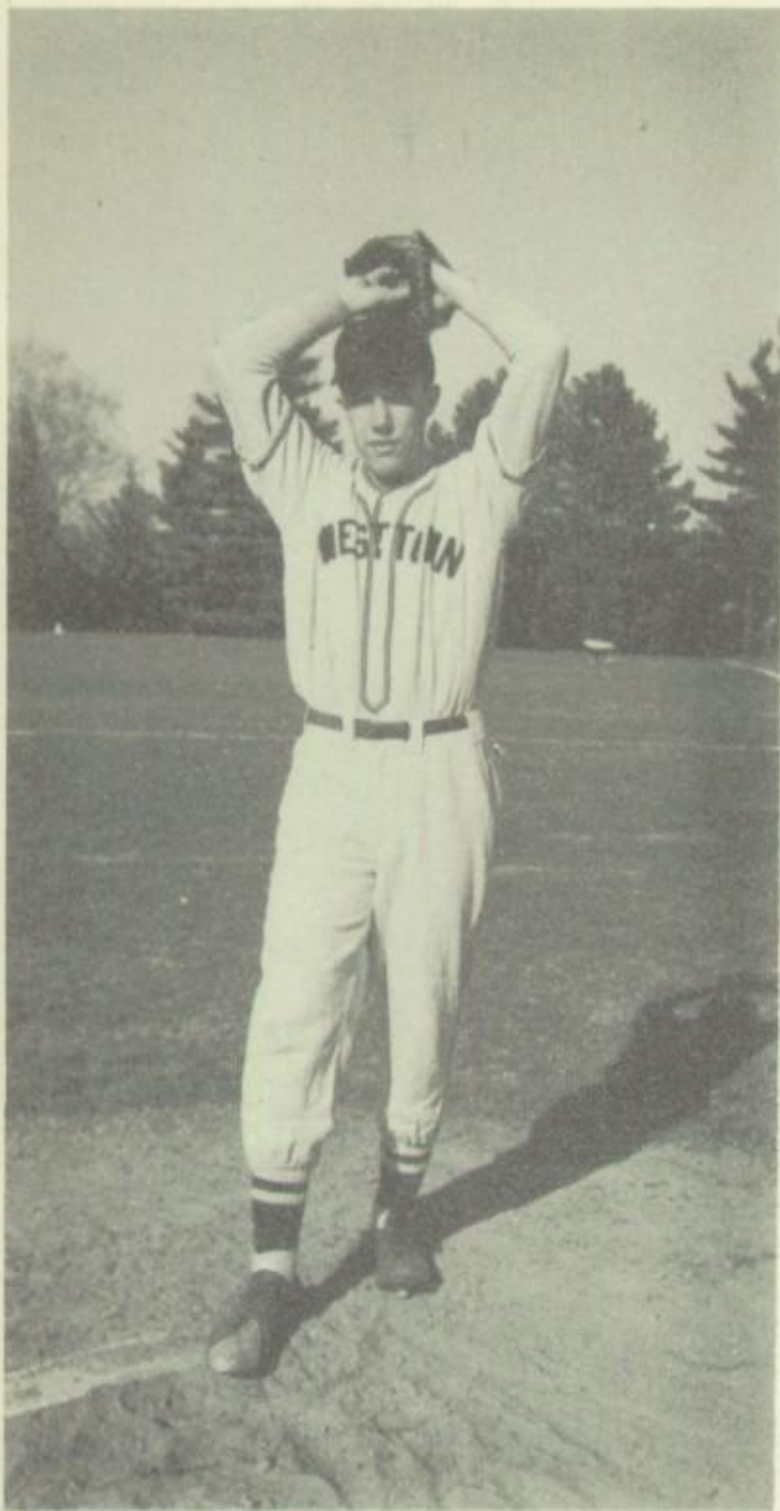

Several records were broken this year, two of which were made by John Stefferud in the backstroke and individual medley. In the 200 yard relay Lawrence, Todd, Lawaetz, and co-captain Wills swam the way to victory against Coatesville and in the process set another new record for Westtown School.

Swimming 10 meets and out of that winning 7, the boys had one of their best years in a long time and gave the spectators some pretty damp but exciting afternoons.

Baseball

The 1954 Baseball team, coached by Eugene "Colonel" Raiford, got under way on April 13th by beating St. Andrews from Delaware by a score of 10 to 6. This is the first time in Westtown history that the home team has met the Delaware nine in baseball.

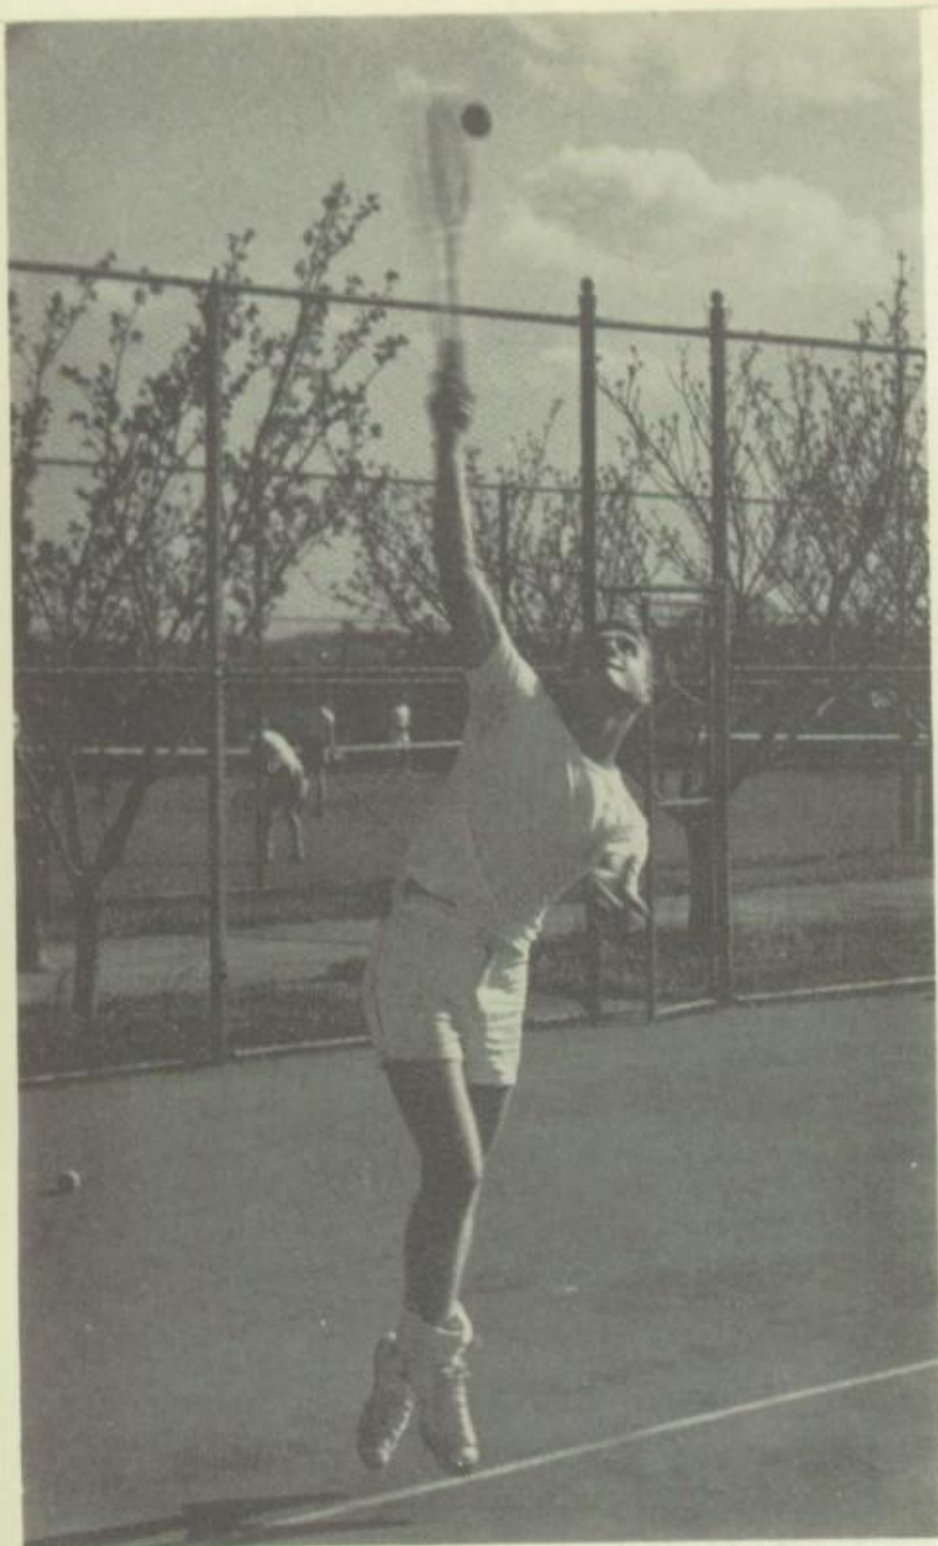

Probable starters for the rest of the season are Alofs and Perera, the battery, Stefferud, James, Van Arkel, and Hans Lawaetz, the infield, and Captain Strickland and Evens in the outfield. Others who will see plenty of action are Shivers, Winsor, Jenkins, Wills, and Caplan.

The squad of twenty-nine men looks very promising in both fielding and batting, and there are plenty of underclassmen to fit in the important places that seniors are filling this year.

Boys' Tennis

Under the leadership of captain Phil Stevenson, one of the two returning lettermen, the tennis team faces an impressive schedule. Although we lost our first match to Valley Forge, we are looking forward to some real improvement this year from the comparatively young team, having five underclassmen in various single and double positions. With thirteen scheduled matches we will have plenty of competition this year, and we hope to come out with a winning season. Our one fond hope for this year's competition is that the George School match doesn't get rained out as it did last year. Thanks go to coach Eugene Hogenauer and manager Bob Stucklen for their hard work.

Girls' Tennis Squad

With the beginning of spring comes the sound of tennis balls being beaten around the tennis courts and up against the backboard. All the girls play at one time or another on our beautiful all-weather courts, but Girls' Varsity is out there every day shaping up for this year's season. There is lots of good, new competition for the old team: Judy Graham, Ann McCoy, Marilyn deBeas, Bonnie Moxie, and Jan McGourty..

There are six matches in this year's schedule, and under the leadership of coach Teacher Mary Borton and captain Ann McCoy, the team hopes to be successful. Manager this year is Barby Brock.

Lacrosse Squad

Even before the lacrosse season started this year, many of the girls were out of doors improving their skill in cradling, catching, and throwing. It is hoped that with this enthusiasm of new players as well as the 10 returning from last year's squad, the 4 lacrosse games of this year will be successful. Adding to the success of this year will be Teacher Mary Borton's able coaching and Carol Rusch's management. Even if the season doesn't balance up with more wins than losses, spectators will certainly have their share of excitement from watching this sometimes dangerous game.

Track

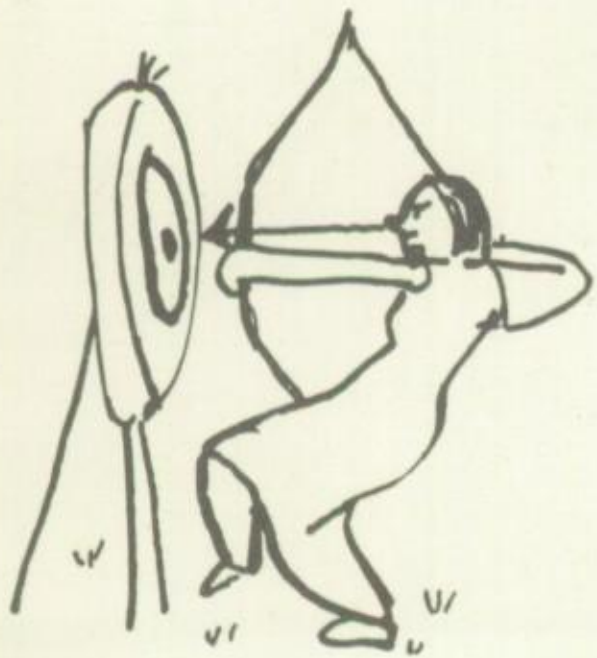

With only two letter-men returning from last year, the 1954 track team looks surprisingly good. Among the contenders will be Phil Stevenson and Dick Kelly in the short sprints, while in the quarter mile, Glen Hudson and Ted Webster look promising. Dave Spinney, Pete Day, Jim Forsythe, and George Crispin will be seen in the middle distances, and Bill Lloyd will again run the hurdles. Stefferud, Perera, and VanArkel will do field events.

The eleven meets of this season ought to show Westtown to be a particularly strong running team. Manager this year is Dick Houghton, and coaches are Master Fred Swan and Master Jan Long.

Laura Davis, Alice Hogenauer, Betty Vail, Harriet Good, Q. Richie, Nancy Cohen, Pip Drake, Janet Hogenauer. ABSENT: Manager Sandy Shigo.

Archery Squad

In the Spring term again many girls are going out for the very skillful sport archery. It takes patience and constant practice to be a good archer. Four people from last years team are again with us. They are planning to have at least 16 girls on the team, much bigger than in previous years.

FRONT ROW: Mary Pregnall, Ann Trowbridge, Mary Moore, Cathy Conrad, Judy Scattergood, Sally Gilda. MIDDLE ROW: Betty Butcher, Mary Langdon, Nancy Ambruster, Lynn Stucklen, Joan Clark, Anne Biddle, Gail Wolcott. BACK ROW: Idalou Ellis, Manager Happy Parry, Ingie Reiniger, Ginno Wickham, Clara St. John, Betty Lou Wilson, Ruth Ann Wolfe, Katy Scott, Sybilla Wells, Q. Richie, Cissie Harlow. ABSENT: Judy Cabot.

Softball Squad

This year there has been a lot more enthusiasm about softball than in past years. Instead of the usual one annual game with Wilmington Friends, Teacher Mary Borton has scheduled three, adding George School and Germantown Friends. Quite a few of the girls have been out playing before actual varsity practice has begun. Last year's score in our single game was rather pitiful, but this year we're out not only to do better, but to win.

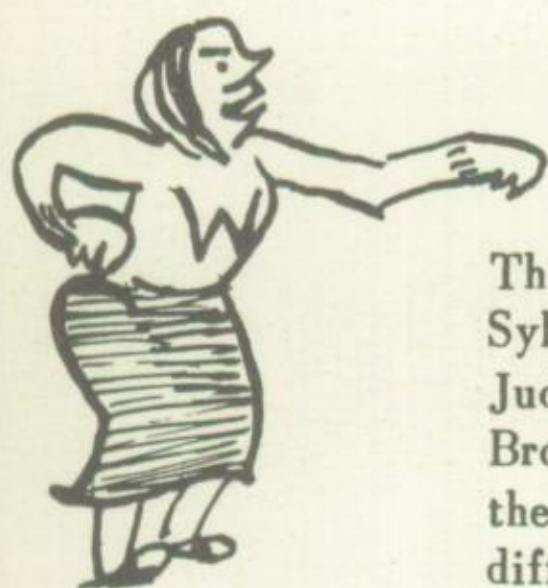

The team will be composed mostly of underclassmen, but the seniors will be in there punching too. A good season is predicted, and with coach Teacher Mary Webb's help, here's hoping that the team will do its best to fulfill all hopes.

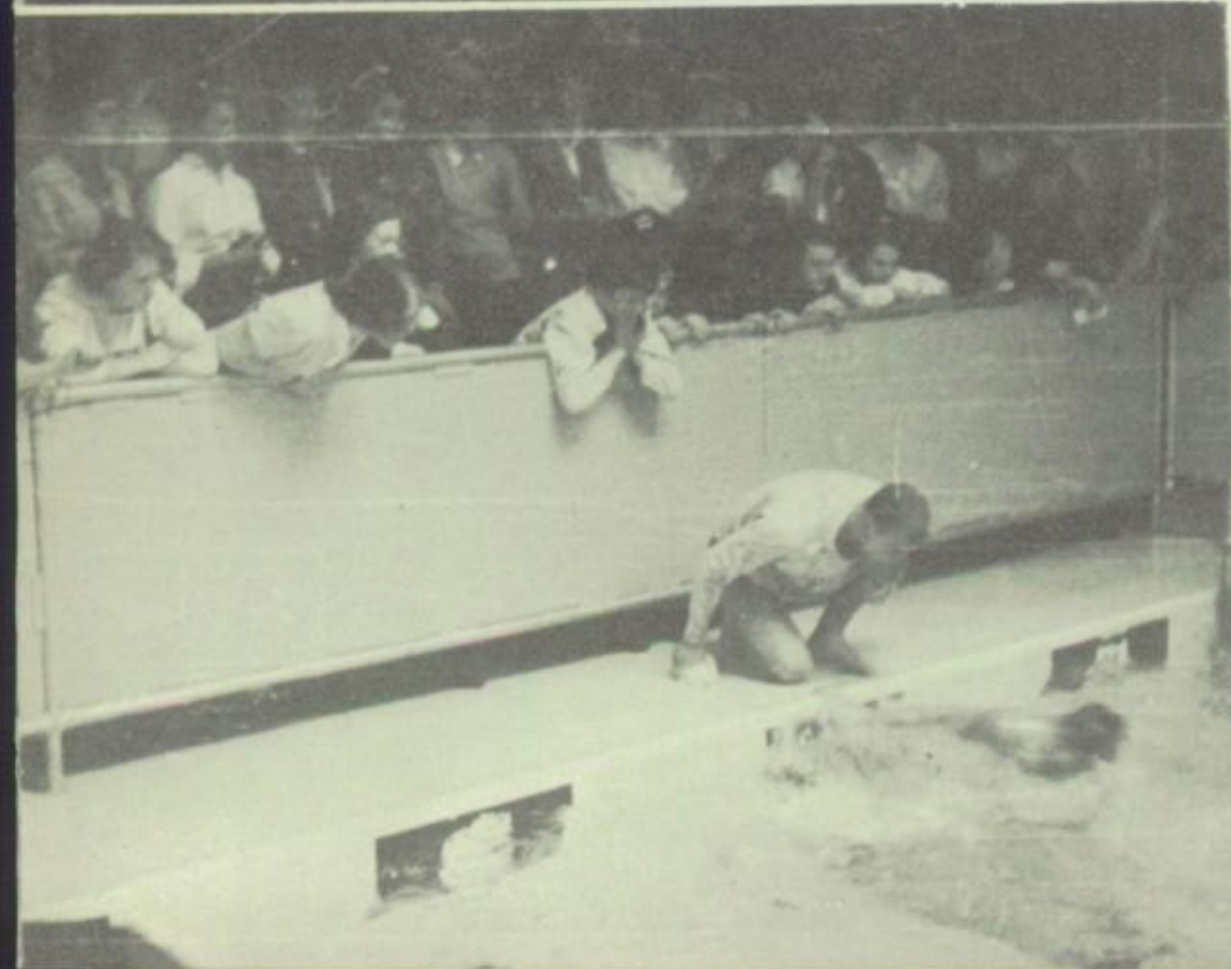

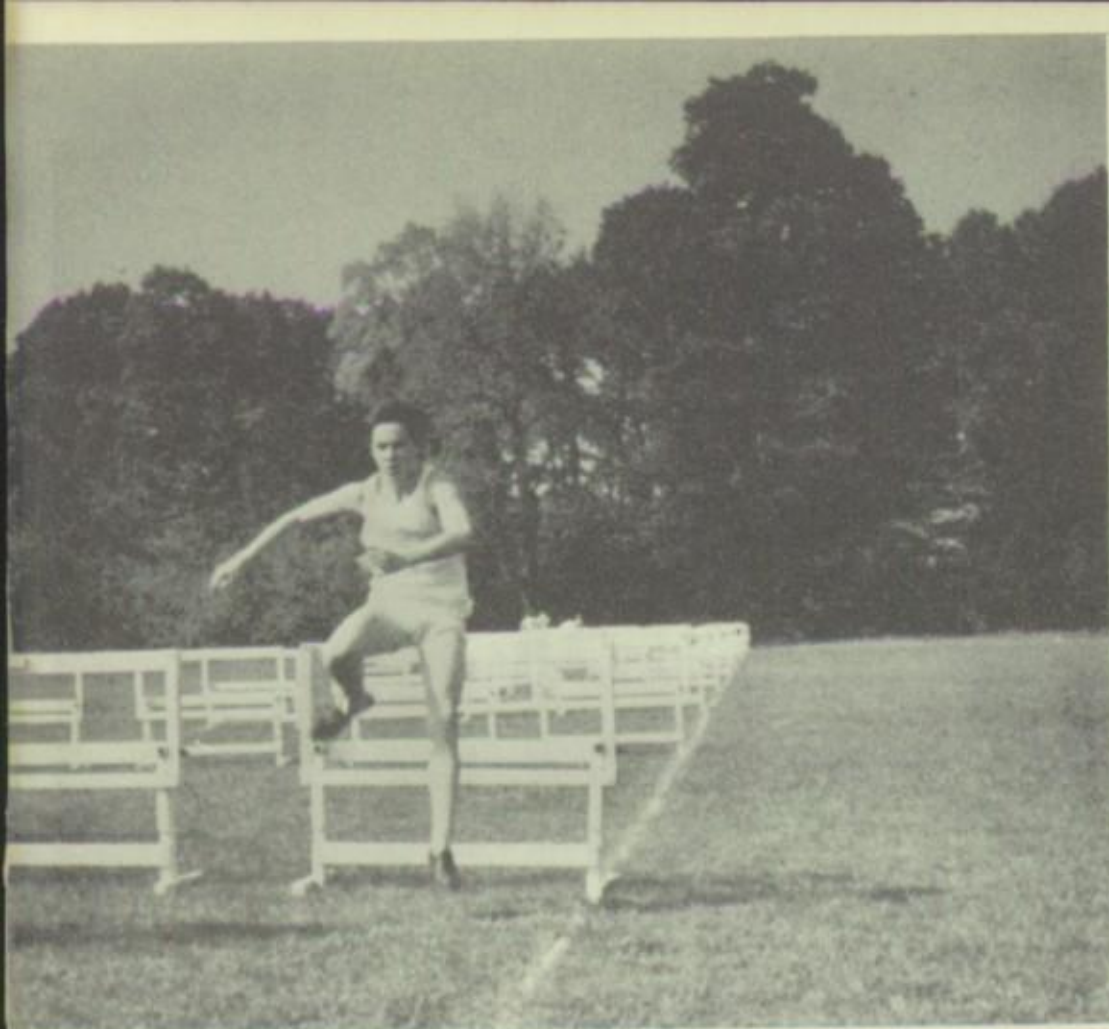

FRONT ROW: Sybil Stocking. BACK ROW: Jenny Rains, Mona Johanning, Barbie Brock, Judy Graham.

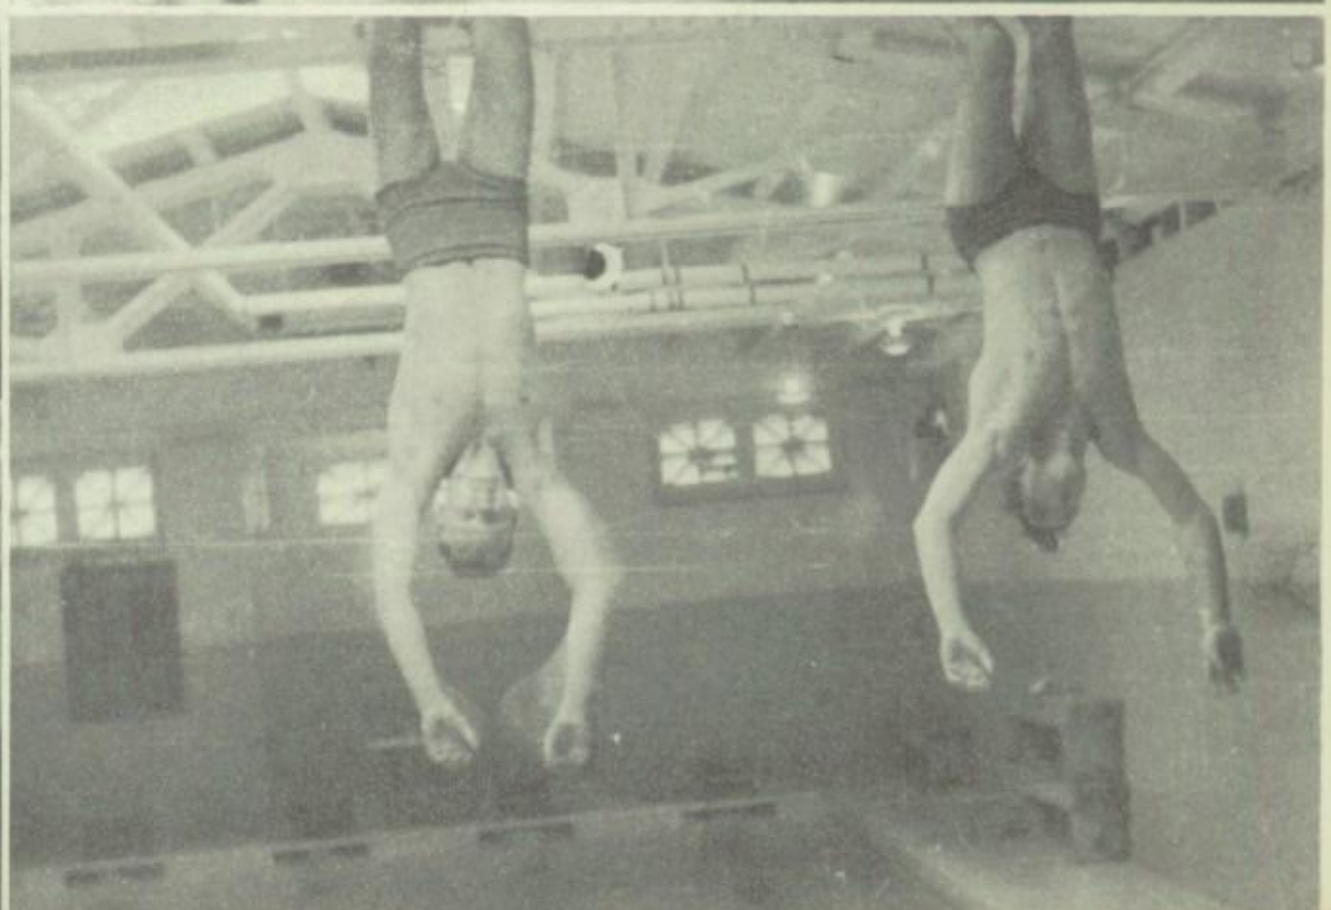

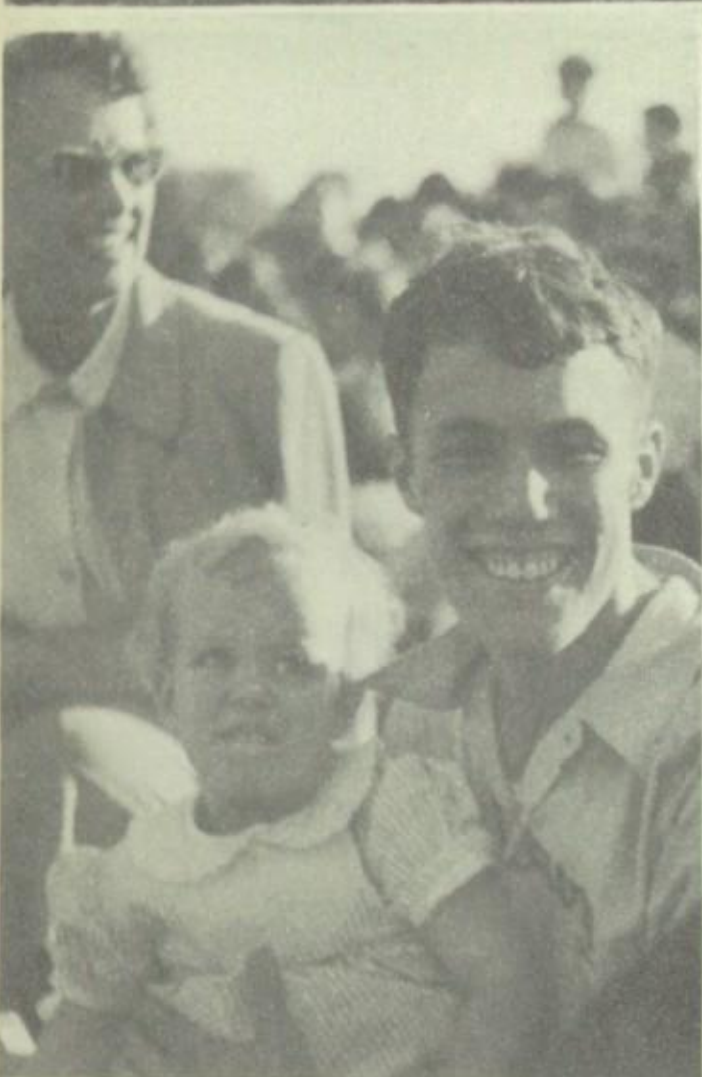

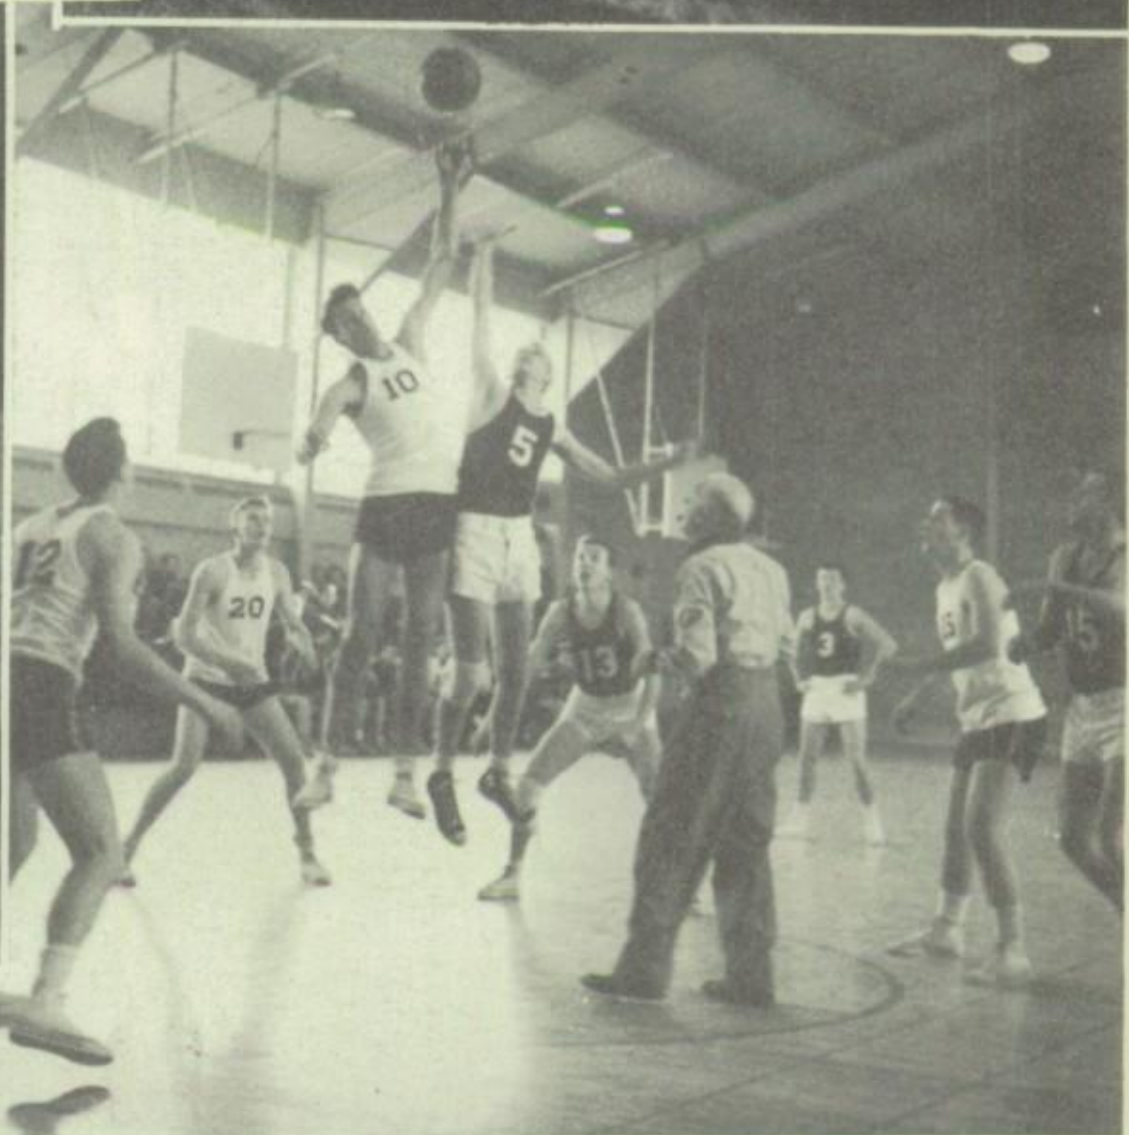

Cheerleaders

This year's cheerleading squad consisted of Captain Sybil Stocking, Anne Biddle, Mona Johanning, and Judy Graham. These chose as new cheerleaders Barbara Brock and Jennifer Rains. With contagious enthusiasm they introduced new cheers to Westtown and presented different versions of the old ones.

Cheerleading is one of the best ways of showing a team that their school is behind them and this year's cheerleaders with their exuberant spirit certainly helped make the field and walls ring with the refrains of "Team, TEAM, T-E-A-M!"

BIDDLE *Instruments*

OUR FOUNDER, James G. Biddle, had a unique faculty of sensing the needs of his customers and searching out and presenting to scientists, educators and engineers those precision instruments which would be helpful to them. In 1895 he founded a business based on a firm belief in personal relationship and a sincere desire to perform a special service not elsewhere available.

Today we offer to these groups an ever increasing variety of electrical and scientific instruments of unquestioned reputation and quality.
